A NOTE FROM THE FRANKLIN COUNTY HBA PRESIDENT

Celebrating Success & Looking Ahead

What an exciting season it has been for our Home Builders Association! First and foremost, I want to extend my heartfelt congratulations to all the winners of this year's Parade of Homes Gala. Your hard work, craftsmanship, and dedication to excellence were on full display, and we are proud to celebrate your achievements. Your homes continue to raise the standard of building in our region, and your success reflects the strength and talent of our entire membership.

In addition to the Gala, we recently hosted a highly successful Continuing Education (CE) class for our builders. Thank you to everyone who participated and helped make the session informative, engaging, and valuable. Your commitment to professional development ensures that we continue to lead with quality and innovation in everything we do.

Looking ahead, we have a fantastic lineup of events and opportunities for you to get involved:

- Nov. 5 – Builders Only Roundtable Discussion: An open, honest conversation exclusively for builders. Come share ideas, discuss challenges, and collaborate on industry solutions.
- Nov. 6 – Business After Hours Networking Event: Connect with fellow professionals, exchange contacts, and grow your business in a relaxed, social setting.
- Nov. 13 – Annual Oyster Roast (hosted by Triangle Risk Advisors): One of our favorite traditions! Come enjoy great food, camaraderie, and a fun evening with fellow members.

As we near the end of the year, I want to personally encourage each of you to get more involved with your HBA. Whether it's by sponsoring an event, participating in a committee, or engaging in our community outreach initiatives, there are many ways to make a meaningful impact and strengthen your ties within the industry.

Our association is only as strong as the members who support it, and we are so grateful for each of you. Let's continue to build not only homes but also strong relationships and a thriving community.

See you at our upcoming events!

Warm regards,
Dan Tingen

**DEDICATED TO THE
CONSTRUCTION
INDUSTRY. UNITED
IN PROTECTING THE
PEOPLE THAT GROW
OUR
COMMUNITIES.**

A partnership built on purpose.

buildersmutual.com/partnerships

When North Carolina contractors choose to insure with Builders Mutual, we require that they join and maintain a membership in a local North Carolina HBA.

This requirement stems back to our roots and strong ties with the NCHBA, demonstrating our long-lasting commitment to the construction industry.

Benefits of HBA Membership

3-IN-1 MEMBERSHIP

When you join your local association, you become a member of all three levels of the NAHB federation: local, state, and national. That's three memberships for the price of one!

A VOICE

As your advocate in your local area, Raleigh, and on Capitol Hill, the HBA develops and provides legislative and regulatory representation on behalf of the home building industry. These actions help defeat excessive regulations and defend affordable housing.

NETWORKING AND LEADS

Your local HBA will provide invaluable networking opportunities to meet other professionals in your local community. HBA's promote doing business with members and each networking event is an opportunity to gain a new business lead.

SAVINGS

NCHBA members are eligible for discounts and rebates:

- The NCHBA Member Rebate Program is designed to reward

members for loyalty by specifying the manufacturers to your subcontractors. No receipts are needed, and the average rebate per Builder/Remodeler is over \$1500.

- The NAHB Member Advantage Program provides members with various discounts from cell services and vehicles to an additional daily 2% discount on your Lowe's accounts receivable purchases and more.
