May's most
important info
just for you

FROM THE PRESIDENT

As we move from April into May, it's worth taking a moment to reflect—not just on the activity, but on the lessons behind it.

April delivered exactly what we hoped for and more. Our networking events were well attended, new faces joined the conversation, and—most importantly—real relationships were built. That's the kind of growth that matters. Not just numbers, but connection. Not just activity, but opportunity.

What April reminded us is simple: when you show up and engage, this association works for you.

One conversation can lead to your next project. One introduction can turn into a long-term partnership. One event can open doors you didn't expect. That's the real value of being part of a strong and growing Homebuilders Association.

Now, May gives us the opportunity to build on that momentum—with even more ways to get involved.

We have more social events, networking opportunities, and chances to connect with the professionals who are shaping the future of building in Franklin County. If you attended in April, don't lose that momentum—build on it. If you missed it, May is your chance to step in and be part of it.

A Thought Moving Forward:

Growth doesn't happen on the sidelines. The businesses that benefit the most from this association are the ones that participate, contribute, and stay visible. In a market that continues to expand as rapidly as ours, relationships are not optional—they are essential.

To Our Members:

Thank you for making April a success. Let's carry that energy forward. Stay engaged, keep showing up, and continue strengthening the network that supports all of us.

To Those Considering Membership:

There is a reason this HBA continues to grow. The value is real, and the opportunities are consistent. Come join us at an event this month and experience it for yourself. You'll quickly see how being involved can elevate your business and expand your reach.

We are not just building homes—we are building a community of professionals who support each other, grow together, and create lasting impact.

Let's make May a month of purpose, participation, and continued growth.

I look forward to seeing you soon.

Steven Hayes, President, FCHBA

NCHBA Benefits Trust Member Health Plan

In partnership with Blue Cross and Blue Shield Of North Carolina and Select Employee Benefit Firms

What

The NC Home Builders Association has partnered with Blue Cross NC to offer a Member Group Health Plan developed specifically for qualified NCHBA employer members. Initial benefits will include medical, dental and vision through Blue Cross NC, and group life and disability through other carriers.

Why

Health insurance costs are one of the top concerns for small and large businesses across the country. Smaller employers (less than 200 employees) have very limited medical insurance options. The NCHBA Benefits Trust will give employer members another market choice with potential cost savings for qualified members.

Who

The Trust plan is offered to employer members of the NCHBA who are headquartered in North Carolina, are active members of NCHBA, have at least 2 employees, and whose business is directly related to the Home Building Industry. Spouses do not count as a second employee.

When

The official start date of the plan is July 1, 2024. Employers may join the plan at any time throughout the year. The plan will have an anniversary date of July 1.

How

The benefits will be marketed and serviced through preselected employee benefits firms who have exclusive agreements with NCHBA. Blue Cross NC will underwrite and service the medical, dental and vision benefits, while Capstone Administrators will deliver Trust services and provide participating employers with benefit administration support.

Blue Cross and Blue Shield of North Carolina is an independent licensee of the Blue Cross and Blue Shield Association. Businessolver is an independent company that provides administration services on behalf of your health plan.
