

AGC's SUPERVISORY TRAINING PROGRAM

Unit 2: Communication: The Key to Project Success

December 7, 9, 14 & 16, 2026

4:30 pm to 7:30 pm

AGC Offices – 1243 N 10th St., Ste 175 – Complimentary Parking in Structure on 9th St.
Corp G.C. - \$200, Associate - \$300, CBA's - \$350, Non-Affiliated IAP - \$500

Effective communication is vital to the success of any construction project. The Communication unit in AGC's Supervisory Training Program, 10th edition focuses on the essential skills needed to ensure clear, concise, and impactful communication across all levels of your project team.

- **Importance of Communication:** Learn why communication is critical in construction and how it impacts project outcomes. Understand the various forms of communication and their appropriate use in different scenarios.
- **Best Practices for Effective Communication:** Discover techniques for clear and effective communication with team members, clients, and stakeholders. Learn how to avoid common pitfalls and enhance your ability to convey information accurately and efficiently.
- **Collaboration and Teamwork:** Explore strategies to foster a collaborative environment where all team members feel heard and valued. Understand how to navigate and resolve conflicts, ensuring a smooth and productive workflow.

Unit 2 Explores:

- Elements of Communication
- Written Communication
- Effective Communication
- Listening
- Persuasion, Negotiation, and Difficult Conversations
- Meetings and Presentations
