TOUR INFORMATION

Developed by Tom Nieman, owner of Fromm Family Foods, the Foxtown Landing is a 39,000-square-foot, three-story entertainment destination at the corner of N. Plankinton and W. St. Paul Avenues. Designed by Stephen Perry Smith Architects with Hunzinger Construction Company as the general contractor, the project will feature restaurants, bars, entertainment venues, event spaces, and a distillery, along with a new extension of the Milwaukee Riverwalk featuring a riverfront terrace and docks.

The tour will provide an opportunity to see how the project team is navigating the challenges of an exceptionally tight urban site, surrounded by the Milwaukee River, permanent Hop tracks, an interstate off-ramp, St. Paul Avenue, and neighboring construction.

Capacity: Event is limited to 30 attendees.

Parking: Street parking is available around project site. Please arrive early to ensure enough time to park and walk to job site!

Safety: Must wear long pants, close-toed shoes/boots, gloves, safety glasses, and hard hats*.

Rules: No pictures allowed.

*Some PPE will be available on site. If needed, please let us know beforehand via email.

Registration is required | Free for all Students & CLC Members | Non-CLC Members \$25
The tour will be limited to 30 individuals and registrations will be taken on first-come basis.

RSVP by October 23rd by email to Ellie Hetrick (ehetrick@agc-gm.org)
