

# COUNCIL OF INTERNATIONAL INVESTIGATORS

*SPECIALIZED SOLUTIONS THROUGH A GLOBAL NETWORK*

A panoramic view of a city skyline at sunset, with numerous skyscrapers and buildings silhouetted against a bright, hazy sky. The water in the foreground reflects the city and the sky.

Since 1955, the Council of International Investigators (CII) has united ethical, high-caliber professionals worldwide for seamless, cross-border investigative support.

**For nearly 70 years, CII has grown from a small circle of respected investigators to a global network with over 400 members nearly 70 countries.**

**Today, CII is recognized worldwide as a beacon of ethical and professional excellence in private investigations.**

*Every CII member undergoes rigorous vetting that considers their experience, expertise, and impeccable references, and is committed to upholding the highest professional industry standards.*

When your clients require precision and reliability in complex, multi-jurisdictional investigations, CII provides the expertise and trustworthiness to protect their interests and pursue truth with integrity.

CII members are globally renowned for delivering investigative services in diverse and critical areas, including:

- Corporate and Business Investigations
- Intellectual Property Protection
- Financial and Asset Investigations
- Computer Forensics and Cybersecurity
- Due Diligence and Risk Analysis
- Litigation Support and Surveillance
- Anti-Counterfeiting, Fraud, & Theft

Whether dealing with sensitive corporate matters, environmental investigations, or locating missing persons, our members operate with unparalleled discretion, expertise, and respect for confidentiality.

With CII, international associations gain a trusted investigative partner, capable of handling cases across jurisdictions and continents.

From accident investigations to forensics, our global network is prepared to navigate diverse legal landscapes, ensuring that each case is pursued to the highest professional standard.

Our strength lies in the diversity and depth of our member expertise:

- Accident & Personal Injury
- Child Custody & Abuse Cases
- Computer Fraud & Security
- Environmental & Genealogical Research
- Polygraph and Interrogation Support
