Gain access to nationwide  
fueling networks!

*See what Justin Wood, from Fish Construction NW and the OHBA Immediate Past President has to say about his experience with the program.*

"I was filling up with my Pacific Pride card while looking at the prices posted at the retail gas station on the same lot. On one fill up alone we saved almost \$15.00. We have 4 vehicles using the OHBA program through Ed Staub & Sons. I did the math and figured out that we're saving close to \$250.00 a month, based on current gas prices. This benefit alone more than pays for the cost of my membership, and supports our industry. It's a win-win for everyone."
