

Attention MCUB Subcontractors & Suppliers

Metropolitan Council - Minneapolis Sandstone Tunnel Evaluation

Engineering & Construction Innovations, Inc. (ECI) is preparing a bid for the Metropolitan Council Environmental Services - Minneapolis Sandstone Tunnel Evaluation (Contract No. 25P183 | Project No. 809210).

They are actively seeking qualified Metropolitan Council Underutilized Business (MCUB) subcontractors and suppliers to participate on this project.

Plans and specs are available upon request. If you need assistance identifying applicable bid items or require copies of relevant drawings, specifications, or quantities, please contact ECI.

BID DEADLINE: WEDNESDAY, JULY 15

ECI would appreciate receiving pricing several days prior to bid to allow adequate time for review and coordination.

BID SUBMISSIONS

Submit quotations to Chris Kester at quotes@eciconstructors.com.
