Will Preparation⁷

To help ensure your decisions are carried out

When you enroll for supplemental term life coverage, you will automatically receive access to Will Preparation Services at no extra cost to you. Both you and your spouse/domestic partner will have unlimited in-person or telephone access to one of Hyatt Legal Plans' nationwide network of 14,000+ participating attorneys for preparation of or updating a will, living will or power of attorney.* When you use a participating plan attorney, there will be no charge for the services.* Like life insurance, a carefully prepared will (simple or complex), living will and power of attorney are important.

- A will lets you define your most important decisions, such as who will care for your children or inherit your property.
- A living will ensures your wishes are carried out and protects your loved ones from having to make very difficult and personal medical decisions by themselves. Also called an "advanced directive," it is a document authorized by statutes in all states that allows you to provide written instructions regarding use of extraordinary life-support measures and to appoint someone as your proxy or representative to make decisions on maintaining extraordinary life-support if you should become incapacitated and unable to communicate your wishes.
- Powers of attorney allow you to plan ahead by designating someone you know and trust to act on your behalf in the event of unexpected occurrences or if you become incapacitated

Call 1-800-821-6400 and a Client Service Representative will assist you.

* You also have the flexibility of using an attorney who is not participating in the Hyatt Legal Plans network and being reimbursed for covered services according to a set fee schedule. In that case you will be responsible for any attorney's fees that exceed the reimbursed amount.

Rates will be based on the experience of the ported group and MetLife will bill you directly. Rates may be higher than your current rates. To take advantage of this feature, you must have coverage of at least \$10,000 up to a maximum of \$2,000,000

Additional Features

This insurance offering from your employer and MetLife comes with additional features that can provide assistance to you and your family.

Accelerated Benefits Option¹⁰

For access to funds during a difficult time

If you become terminally ill and are diagnosed with 24 months or less to live, you have the option to receive up to 80% of your life insurance proceeds. This can go a long way towards helping your family meet medical and other expenses at a difficult time. Amounts not accelerated will continue under your employer’s plan for as long as you remain eligible per the certificate requirements and the group policy remains in effect.

The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable tax treatment under Section 101(g) of the Internal Revenue Code (26 U.S.C. Sec 101(g)).¹⁰

Accelerated Benefits Option is not the same as long term care insurance (LTC). LTC provides nursing home care, home-health care, personal or adult day care for individuals above age 65 or with chronic or disabling conditions that require constant supervision.

The Accelerated Benefits Option is also available to spouses/domestic partners insured under Dependent Life insurance plans. This option is not available for dependent child coverage.

Conversion

For protection after your coverage terminates

You can generally convert your group term life insurance benefits to an individual whole life insurance policy if your coverage terminates in whole or in part due to your retirement, termination of employment, or change in employee class. Conversion is available on all group life insurance coverages. Please note that conversion is **not** available on AD&D coverage. If you experience an event that makes you eligible to convert your coverage, please call 1-877-275-6387 to begin the conversion process. Please contact your plan administrator/employer for more information.

Waiver of Premiums for Total Disability (Continued Protection)

Offering continued coverage when you need it most

If you become Totally Disabled, you may qualify to continue certain insurance. You may also be eligible for waiver of your basic and supplemental and dependent term life and personal and supplemental and dependent AD&D insurance premium until you reach age 65, die, or recover from your disability, whichever is sooner.

Total Disability or Totally Disabled means you are unable to do your job and any other job for which you are fit by education, training or experience due to injury or sickness. The Total Disability must begin before age 60, and your waiver will begin after you have satisfied a 9-month waiting period of continuous disability. The waiver of premium will end when you turn age 65 reach your normal social security retirement age, die, or recover. Please note that this benefit is only available after you have participated in the supplemental term life plan for one year and it is not available on dependent coverage. This one-year requirement applies to new participants in the plan.

If you return to work after completing part or all of the 9-month waiting period and later cease active work due to the same or a related Total Disability while your coverage is being continued, you will be given credit for the prior partial or total completion of the waiting period and it will be considered a continuation of the original Total Disability. This means that if you completed the waiting period of continuous disability in the original period of disability, you will not need to complete another one.

- You must notify MetLife of the later period of cessation of active work within 12 months of when that period began.
- The amount of insurance being continued will be the same as during the original period of disability, subject to any reductions in coverage amount due to age.

What's Not Covered?

Like most insurance plans, this plan has exclusions. Supplemental and Dependent Life Insurance does not provide payment of benefits for death caused by suicide within the first two years (one year for group policies issued in Missouri, North Dakota and Colorado) of the effective date of the certificate or an increase in coverage. This exclusionary period is one year for residents of Missouri and North Dakota. If the group policy was issued in Massachusetts, the suicide exclusion does not apply to dependent life coverage. The suicide exclusion does not apply to residents of Washington, or to individuals covered under a group policy issued in Washington.

Please note that a reduction schedule may apply. Please see your plan administrator/employer or certificate

for specific details.

Accidental Death & Dismemberment (AD&D) coverage complements your Basic and Supplemental Life insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage Options

This valuable coverage benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips.

MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight, or brain damage or coma. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Supplemental AD&D Coverage Amounts for You

Your Supplemental AD&D amount is equal to your Supplemental Term Life amount.

Supplemental AD&D Coverage Amounts for Spouse/Domestic Partner and Child(ren)

You can choose to cover your dependent spouse/domestic partner and child(ren) with AD&D coverage. Your dependents will be eligible for coverage amounts equal to their amounts of Dependent Term Life coverage.

*Child(ren)'s Eligibility: Dependent children ages from birth to 19 years old, or 23 years old if a child is a full-time student, are eligible for coverage. In TX, regardless of student status, child(ren) are covered until age 25.

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the "Full Amount" and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount, and will be listed in your coverage in a table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount.

Standard Additional Benefits Include

Some of the standard additional benefits included in your coverage that may increase the amounts payable to you and/or defray additional expenses that result from accidental injury or loss of life are:

- Air Bag
- Seat Belt
- Common Carrier

What Is Not Covered by AD&D?

AD&D insurance does not include payment for any loss which is caused by or contributed to by: physical or mental illness, diagnosis of or treatment of the illness; an infection, unless caused by an external wound accidentally sustained or from food poisoning; suicide or attempted suicide; injuring oneself on purpose; the
