WTIA Mission & Position

Mission

We work to build a strong, sustainable technology sector in a thriving community.

WTIA Impact

- >> **900+** member companies and partners
- >> **17,000** lives covered by WTIA Benefits Programs
- >> **100+** events produced
- >> **\$26M** from the federal government to expand tech apprenticeship programs across the country

The WTIA Unique Approach

WTIA develops solutions in-house to help our members solve problems they cannot on their own. Our benefit programs do this by:

- » Building programs that help employers develop, recruit, and retain diverse tech talent.
- » Delivering high value, affordable financial services to SMB companies.
- » Advocating for public policies that support our mission.
- » Creating forums for industry, education, and government to partner effectively.
- » Living the values of diversity, equity, and inclusion to support our work and our clients. Our values are anchored in respect, empathy, and cultural humility.
