

Rebecca Kline Toy, LCMFT, DBTC

Chief Clinical Officer

📞 (913) 324-3812

Rebecca joined KidsTLC in 2009 as a residential therapist after several years working with youth in foster care at the mental health center in Salina. Specializing with systems, adolescents, trauma, and attachment, Rebecca assisted with the development and management of KidsTLC's Lotus Clinics outpatient services for several years before returning to oversee clinical care in residential services. Additionally, she provides agency-wide training in self-care, working with Borderline Personality Disorder symptoms, and clinical diagnostic decision-making. She holds a BS from Kansas State University in Family Studies, an MS from

the University of Nebraska in Marriage and Family Therapy and certification in Dialectical Behavioral Therapy. Rebecca is an avid traveler and often combines her two passions of mental health and travel in her freelance travel writing.

Dan Lash, LCMFT

Vice President of Lotus Clinics

📞 (913) 324-3867

Dan started at KidsTLC in 2013 as a therapist on the Willow community in our Psychiatric Residential Treatment Facility. After serving there for three years, he made the transition into the world of continuous quality improvement, where he works to provide benchmark data for our programs and grant requests, as well as coordinate with outside licensing and accrediting agencies. He has also worked very closely in the implementation of our electronic health record. In 2022, Dan began working as the Director Lotus Programming at KidsTLC, which includes both Outpatient and Intensive Outpatient Services. Dan holds a

BFA in Music Education/Music Therapy from the University of Kansas, and a MS from Friends University in Family Therapy. He enjoys painting, woodworking, cheering on the Chiefs, Royals, and Jayhawks, helping out on the farm, and spending time in the woods.
