The Denver Chapter of IFMA is a professional organization dedicated to connecting, advancing and promoting the Facility Management profession through informational and educational interaction.

DENVER CHAPTER

ABOUT US

Formed in 1980, IFMA is the world's largest and most widely recognized international association for professional facility managers.

- 24,000 Members around the world
- Over 400 local members
- 113 Countries
- 130+ Chapters
- Manages 37 Billion SF
- Spends \$120 Billion annually, world-wide

The Denver Chapter of IFMA supports the facility management profession through education, credentialing, government relations, leadership opportunities, publishing, recognizing excellence, providing research and standards development.

Locally, the award-winning Denver Chapter typically has monthly meetings for you to network and learn. Chapter dues includes the cost of most monthly events. Additionally, we offer career support, study groups, newsletters, teleconferences, facility tours, social events, and resource listings. **Get involved in the 4th largest chapter of IFMA today!**
