

SAN FRANCISCO ASSOCIATION of REALTORS®

Mandatory NAR Ethics Training Class Self-Certification Form

Complete this form only if the ethics requirement was satisfied by the renewal of your California real estate license or through a vendor other than SFAR or NAR.

REALTOR® members must complete, in the three-year period between January 1, 2022 and December 31, 2024, a REALTORS® Code of Ethics training class (for continuing members) meeting the learning objectives of the National Association of REALTORS® (NAR).

Failure to meet the requirement is a violation of a membership duty that will result in suspension of a REALTOR'S® membership until such time as the requirement is met.

All local associations must be able to provide NAR with proof that it has enforced the mandatory ethics training requirement. Failure to do so could result in loss of NAR-provided professional liability insurance coverage and the Association's charter as a member of the NAR.

Any San Francisco Association of REALTORS® (SFAR) member who has satisfied the NAR ethics requirement through training offered by an entity other than NAR is responsible for advising SFAR of that fact. To do so, please complete the form below and send it by email to membership@sfirealtors.com, or by mail to SFAR, 301 Grove Street, San Francisco, CA 94102, Attention: Ethics Class.
