WORKSHEET D

For more resources on maintaining your home and renovating, visit <https://blog.chba.ca>

Use this worksheet to record any anticipated lifestyle changes that could affect your renovation plans.

A) How long do you expect to live in your present home?

- 1 to 5 years
- 6 to 10 years
- I don't expect to move

B) Do you expect the number of people living in your home to change over the next 5 years?

- No changes
- Fewer people
- More people

C) Over this period of time, is it likely that anyone living in your home:

- Will be infants or small children?
- Will have difficulty walking, bending or reaching?
- Will have difficulty using stairs?
- Will have reduced vision or hearing?

D) Other than the renovation you are currently planning, do you expect to change how you use any areas of your home within the next 5 years? *(e.g. converting a bedroom to a home office).*
