City of Pearland
3519 Liberty Drive
Pearland, TX 77581

Dear Mayor Cole and City Council Members,

The Pearland Chamber of Commerce was established in 1963 to support the business community of Pearland. During this time, we have maintained a positive working relationship with the City of Pearland while serving as the voice of business for our community.

This letter is to express support for Pearland City Council calling for a bond related to stormwater projects. This is a potential action item at the next meeting.

In December 2021, the Pearland Chamber of Commerce sent a letter to the City Council requesting a bond feasibility study. The study would outline specific projects that can be placed before the voters for decisions, while clearly outlining the cost to business and setting an end date for the tax. We are appreciative of the City Council and the work of the Stormwater Bond Committee which included two representatives of the Chamber.

We thank you for your service and encourage you to vote in favor of placing the stormwater projects bond on the May 2023 ballot.

With respect,

Jim Johnson
President and CEO
Pearland Chamber of Commerce
