

Leadership Laurentian

Presented by the Laurentian Chamber of Commerce

The Laurentian Chamber of Commerce introduces Leadership Laurentian, a brand-new leadership development program launching in September 2026. This immersive, nine-month experience is designed to cultivate personal leadership growth while exploring the challenges, opportunities, and future of the Iron Range.

With original curriculum surrounding the 7 Pillars of Influence, modeled after executive coach Justin Thompson's 7 Pillars of Leadership, Leadership Laurentian equips participants with the tools to lead with character, courage, confidence, communication, culture, competence, and coaching. Each monthly session blends leadership training with real-world perspectives from across our region's business, government, nonprofit, and community sectors.
