

UPTOWN HISTORIC DISTRICTS

Building Plaque Program

To recognize buildings that contribute to Uptown historic districts, Uptown United is coordinating a building plaque program. Property or business owners in buildings that contribute to a historic district may purchase a plaque for their building, customized with the year built and architect.

Building Plaque Information

Some quick facts on the building plaque program:

- Plaques are custom designed, bronze cast and cost \$200 each (including s&h fees).

- Each plaque will be customized with your building's historic information.

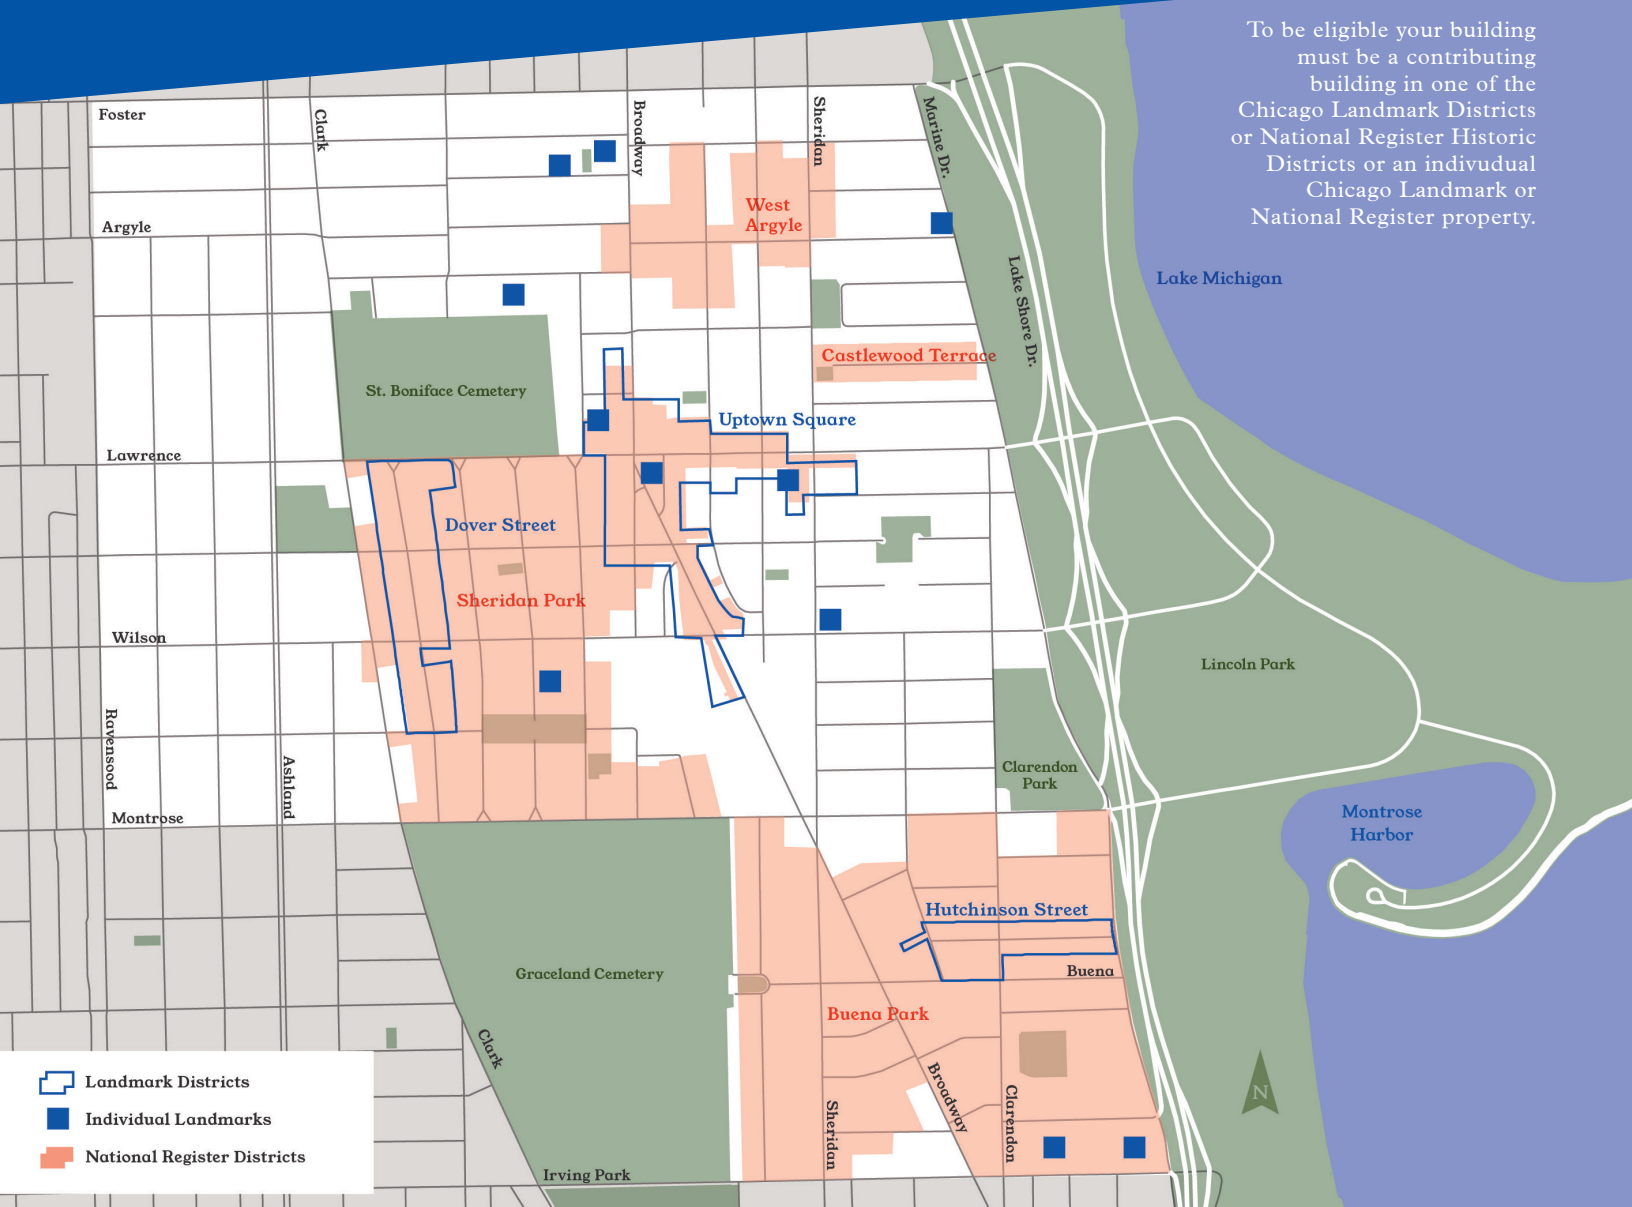

- You don't need to research architect and year built -- we have that information!

- You can install the plaque yourself, or, for an extra \$60, our handyman will do it for you.
