

Emergency Storefront Rebate Program

Overview

In a response to damage at Uptown businesses, the Uptown Special Service Area (SSA) has expanded its Security and Curb Appeal Rebate Programs into an Emergency Storefront Rebate Program. The Emergency Storefront Rebate Program includes rebates for window boarding services, shatter resistant window film, and window replacement. Emergency Storefront Rebates will be offered for up to 50% of the cost incurred, up to \$500 per business. This program allows businesses to undertake any of these measures immediately and not require approval in advance as the SSA-funded rebate programs typically require.

This program has very limited funds available. Unfortunately, we cannot guarantee that funds will be available or that your application will be approved.

Eligible Properties

Only properties within the boundaries of the Uptown SSA are eligible for rebates through the First-time Sidewalk Café Permit Fee Rebate Program. See the description below and attached map:
