LETTER FROM THE PRESIDENT

SHARON MURRILL

"YOUR SUCCESS IS OUR BUSINESS"

Time is flying and we will be embarking on one of my most favorite seasons soon, Spring. All the trees, plants, and flowers start to bud, grow, and bloom. As we begin this new season, we are hopeful for the same thing to happen with our partners; that their businesses bud, grow, and bloom. We also welcome your assistance in reaching out to potential partners to join us so we can help grow, support, and enhance their businesses as well.

Congratulations to Infinite Opportunities for winning the fire pit at our February luncheon. All partners who had renewed their membership in January had their name in the drawing. Thanks to all who have renewed their membership, and to those who have not done so, please join us and renew yours also!

Do not forget to vote on March 5th, 2024, in the Alabama State Primary election. We have had many of the candidates attend our luncheons and speak at our Candidate Forum in January. If you were unable to attend, please educate yourself and exercise your Constitutional duty to vote.

On March 21st, we will once again be honoring our First Responders with a drive thru appreciation lunch. Please contact the Chamber staff if you would like to sponsor, donate items for the swag bags, or volunteer at the event. It is very heartwarming to see the appreciation on the faces of those who serve us so well in our communities.

Last year we brought the Small Business Expo back to the Community Center and it was a huge hit! We will once again be hosting this event on Friday, April 5th, at the Community Center from 2:00-5:00pm. Please contact the Chamber staff if you would like to have a booth. This is also a great time of networking with some incredible door prizes too!

As you can see, we have a lot of fun events and networking opportunities going on at the SouthWest Mobile County Chamber. We look forward to seeing you at our luncheon on Wednesday, March 6th. Feel free to bring a guest with you and as always, **YOUR SUCCESS IS OUR BUSINESS**. Let us know what we can do to help grow and support your business and contribute to your success.

"If you want to lift yourself up, lift up someone else". Booker T. Washington

MARCH 6TH, 2024

LUNCHEON SPEAKER

Thomas “Chris” Curry was hired as the Executive Director of the Mobile Airport Authority in October 2017 and was later promoted to the position of President in September 2018. Upon his appointment to the position, he placed airline recruitment, evaluating the roles of Mobile Regional and Downtown Airports, and expanding business opportunities on the Brookley Aeroplex at the top of his priorities. Curry has spearheaded the Master Planning effort to transform the Mobile Downtown Airport at Brookley into a world class international multi-modal facility. His overall objective is to provide premium air service to the community and manage the assets of the Authority to achieve the greatest economic benefit to the customers of the region.

Since Mr. Curry’s arrival in Mobile, he has provided professionalism and expertise in representing MAA with the overall needs of its largest tenants, such as Airbus, ST Aerospace, and Continental Aerospace Technologies. During his tenure, Airbus has expanded the A320 production capability, begun building the A220 Aircraft and opened the Flight Works aviation experience center at the Mobile Aeroplex at Brookley. In addition, he spearheaded a new agreement with Continental Aerospace Technologies, where they invested \$75 million in a new state-of-the-art manufacturing facility. Further to his achievements, Mr. Curry also created a new organizational structure with high caliber talent designed to meet the challenges required to lead MAA into the future.

Because of Mr. Curry’s wealth of experience in the Airline industry, he was able to recruit Mobile’s first new airlines since 2003, Via Airlines and Frontier Airlines. Working with the FAA, he also managed the Metropolitan Airport Systems Study to determine the feasibility of moving commercial service from the Regional to the Downtown Airport. Under his guidance, the MAA developed a Master Plan in 18 months, a process that typically takes three years. The FAA recently approved this plan.

Last month Austal USA announced the start of design for a new manufacturing facility, part of a major expansion for its shipyard in Mobile. The expansion will sit south of Austal's current waterfront facility and include a new assembly building, waterfront improvements and a new shiplift system. Scheduled to begin this summer, it will also include a shiplift that will launch ships as they are completed in the assembly buildings. The system will also have the ability to retrieve ships and bring them back to the land-side facility. The assembly building will consist of three bays and enable erection of recently awarded steel-ship contracts, in addition to modules for submarine and other surface-ship programs. The footprint will provide more than 192,000 square-feet of covered manufacturing space, and sits on roughly 14.5 acres.

Holiday Inn Express & Suites, located at 5190 Motel Court in West Mobile, celebrated a grand reopening and reception on February 15 of last month. The hotel lobby and guest rooms have been renovated to provide visitors with smart technology. The space now features a newly renovated first floor and lobby with redecorated rooms and offers complimentary hot breakfast, Wi-Fi, 24-hour fitness and business centers, a 24-hour guest laundry facility, a 24-hour sundry shop, a boardroom, a meeting room and an outdoor pool.

Port St. Joe, Florida-based Wattco Electric has leased 3,000 square-feet of office space at 1459 Montlimar Court in West Mobile. James Henderson of Realty Executives Bay Group represented the tenant and William Youngblood of Youngblood Real Estate worked for the landlord.

Last month Cornerstone Caregiving leased 1,650 square-feet of rehab space at 3201 Dauphin Street in Mobile. Leigh Rendfrey with CRE Mobile worked for the home care center and Chris Harle of White-Spinner Realty represented the landlord on the transaction.

In February, Big A's Fine Food & Catering leased 3,600 square-feet of space at 326 Azalea Road in West Mobile. Chris Harle of White-Spinner Realty represented the landlord and Eric Coleman of RE/MAX Realty Professionals worked for the tenant on the deal.

Last month, former Louisiana-based Ralph & Kacoo's Seafood chain (now owned by Nacogdoches, Texas-based investor GTF) held a grand reopening to fanfare, after shuttering for nearly two years due to financial restructuring nationwide that witnessed the dissolution of affiliate, Café Del Rio. It is located at 1595 Battleship Parkway on the Causeway.

NEXT LEVEL

"Your Success is Our Business" As we reflect of the climate of business in our community, I am reminded of the things I have learned as being the Executive Director here at the chamber. Most small businesses need leaders and managers that care about their employees. Not everyone is a natural leader or manager, but there's a lot you can do to create a positive and productive culture in your business. Here at the Chamber, we pride ourselves in Coaching, Mentoring, Networking Opportunities Training and Workshops for everyone. Providing resources to businesses and their leaders is just one of the many assets we give our partners. Creating a culture of leadership and management will help you build a great company culture and a successful business. Employees who feel comfortable and engaged and believe that your business is a safe and positive work environment will perform better and be less likely to move on to other opportunities. I am excited about the strategies the Chamber has planned to help you build a successful work environment. We are working to help you build a positive reputation, trust in the community, learn to be engaging, and be more open to feedback. I am proud of the community we live in, work in and play in daily and appreciative of the extra mile our partners take by taking those steps to further improve our community. As we encourage each of our partners to challenge one another we want to see each of you make an impact! Let us know how we can help you as a Chamber create this culture.
