LETTER FROM THE PRESIDENT

SHARON MURRILL

“YOUR SUCCESS IS OUR BUSINESS”

# WELCOME TO THE SOUTHWEST MOBILE COUNTY CHAMBER OF COMMERCE

The first four months of the year have flown by, and it’s been a busy time for the Chamber and staff. Thanks to Tina, Hope, and Jillian for all they do every day. Our partnership is growing and attendance continues to increase for our events. We are definitely on track for a great year in 2024.

Our Business Expo was a great success on April 5th. We had over 50 vendors located inside and outside the Community Center. The attendance from business partners and community members was great and we are very appreciative of everyone’s participation. We would like to thank all of the businesses who donated door prizes for this event as well as the individuals who purchased tickets in support of our TALL Program.

Our May Luncheon will be special as we will announce our SWMCC Business of the Year. We are fortunate to have so many partners who are deserving of this award. Mayor Sandy Stimpson will be our speaker and will announce the award winner.

We would also like to invite you to our National Day of Prayer event that will be held on Thursday, May 2nd, at 7:00am in front of the Mobile Police Department Second Precinct office. We ask that you invite your neighbors, family, friends, and co-workers to join us as we pray for our community: city, county, and state government; law enforcement; military; businesses and business leaders; schools; churches; families; etc.

Join us on May 10th for our Partner Appreciation event. This is our way of thanking all of our Partners for their continued dedication, participation, and support. The event will be from 3:00pm to 5:00pm, so please join us as we celebrate YOU!

The planning of our Annual Kid’s Day has started. This is a great outreach event for our community, but as they say: “It takes a village.” The Chamber is in need of volunteers on Saturday, July 27th to make this event happen. We are also accepting donations to purchase school supplies and backpacks to give out to children in attendance. Please contact the Chamber office for more information.

SouthWest Mobile County Chamber is always looking for ways to add value to your partnership. We are here to promote your business and serve our community. We encourage each of you to get involved with our Chamber, attend our events, volunteer to help, and offer suggestions. We have the ability to make a tremendous impact and would love to hear your perspective. We truly believe that “YOUR SUCCESS IS OUR BUSINESS.”

## LUNCHEON SPEAKER:

The City of Mobile's 108th Mayor, Sandy Stimpson has a bold mission for Mobile's citizens to become One Mobile – a safer, more business and family friendly city.

Driven by a desire to affect positive change in the life of each citizen, Mayor Stimpson has proven that the greatest level of success is achieved when everyone has a seat at the table. Stimpson's four decades of experience in the private sector and extensive community service provide a solid foundation for the type of practical change he has generated in his ten years in office. Mayor Stimpson has ushered in a new culture at City Hall, emphasizing a commitment to transparency, effectiveness, and efficiency.

Mayor Stimpson's leadership has led to unparalleled reform of city finances. Stimpson and his team have put the city on sound financial footing by reducing bonded indebtedness by nearly \$180 million and unfunded liabilities for pension and benefits by more than \$200 million. This has led to credit rating increases from both Moody's and S&P. During the same period, he has built and maintained a two-month rainy day reserve fund and enacted more than half a dozen raises for all City of Mobile employees.

Since assuming office in 2013, Mayor Stimpson's tenure has been marked by major achievements that stand to make a lasting impact for all citizens. Stimpson and his team have executed on several transformative initiatives including an overhaul of the city's decades-old zoning code, an unprecedented increase in the delivery of infrastructure improvements, and the city's first supplier diversity program. Under Mayor Stimpson's leadership, the City of Mobile has also been recognized nationally for its innovative approaches to addressing urban blight.

Mayor Stimpson's civic and business endeavors, both locally and statewide, have been numerous and varied. He has served on the boards of the Boys & Girls Club of Southwest Alabama; the Mobile Area Chamber of Commerce; the Alabama Policy Institute; the Business Council of Alabama; and the University of Alabama President's Cabinet.

A graduate from the University of Alabama in 1975 with a bachelor's degree in civil engineering, Stimpson began a nearly 40-year career in his family's lumber manufacturing business. Mayor Sandy Stimpson and his wife Jean have been married since 1975 and have four grown, married children and 14 grandchildren.

CHAMBER of COMMERCE

**NEXT LEVEL**

Why do world leaders meet with local chambers?

Each year, the SouthWest Mobile County Chamber meets with state and local officials representing the local businesses here in Mobile and in Montgomery at the Legislative level. As your voice of business for more than 45 years, local leaders know the Chamber is the place to discuss investment, innovation, and economic growth.

Through the annual SouthWest Mobile County Chamber partnership, you are given a voice in the Alabama Chamber Association and the U.S Chamber Association. We all champion the interests of Alabamians and American businesses as we help navigate risks and threats to our success. We help government leaders understand the needs our businesses encounter and support smart policy making. Having a proactive stance in local policies ensures businesses are well represented in critical discussion and negotiation in discriminatory regulations concerning taxes and growth. As this chamber advocates for you, we take pride in equipping our partnerships and local businesses with support from government entities. We execute this mission by partnering with local legislative groups like Coastal 150, the BCA, and regional executive chamber leaders. The climate has changed post covid, but we have pivoted to become more relevant to you and your needs by reaching out to our local officials that you have voted into office and continually developing relationships that are impactful for our future growth. As you consider renewing your partnership, take into account the impact we are making here locally as well as on the state level and make sure you are informed and educated about decisions concerning Alabama's future.

# THE REAL ESTATE CORNER

Local military nonprofit Vets Recover held a grand opening last month for the Col. John F. Kilpatrick Detox and Residential Treatment Facility at 1200 Springhill Avenue in Mobile. The 18,000-square-foot, two-story, 104-year-old building, formerly known as the historic Raphael Semmes School, has been under development for at least five years. Originally found in a formerly blighted area and used as a homeless shelter, the site has undergone an \$8.4 million transformation, through a combination of public and private funding, and offers interdisciplinary care and peer support services. The ground floor will include a detox facility and dining room, while the second floor includes four-bed dorm rooms and meeting spaces for therapy sessions. Overall, the site has 34-beds providing a level of care along the central Gulf Coast previously not available within a 4-hour drive of Mobile for disabled veterans. The center was developed by experts in recovery that are aware of the challenges many veterans and first responders face on a daily basis, providing multiple levels of care. "You can provide people with world-class healthcare, but if they leave the facility and return home without community support, it will not last. We're going to stop the bleeding here and, with the community's help, they are going to heal," Vets Recover CEO John Kilpatrick said.

The City of Mobile opened a new recycling center in April located at 1750 Dauphin Island Parkway, near the downtown international airport. Funded by a grant from the Alabama Department of Environmental Management, the "Parkway Recycling Center on the Peninsula" will help give Mobilians easy access to single-stream recycling services. Additionally, a separate grant from The Recycling Partnership will enable the city to also increase public education to the public about the available services for recycling and its benefits. These efforts are supported by the American and Alabama Beverage Association. Local 501c3 nonprofit, The Peninsula of Mobile, has partnered with the city on several environmental projects in the area and reportedly plans to construct a 2,000-square-foot visitor information center at the site sometime in the near future.

Last month locally-owned Yellowhammer Coffee held a grand opening of its newest 1,800 square-foot space located at 7849 Cottage Hill Road in West Mobile. This will be their first spot open with extended hours; 6 a.m. to 8:30 p.m. Monday-Friday and 7 a.m. to 8:30 p.m. on Saturday. Yellowhammer Coffee was founded by Jeff and Monique Roberts in 2016 with a mission to focus on the culture of the company, as well as the coffee. Since then, they have opened multiple locations found in Mobile and Semmes.
