LETTER FROM THE PRESIDENT

SHARON MURRILL

"YOUR SUCCESS IS OUR BUSINESS"

WELCOME TO THE SOUTHWEST MOBILE COUNTY CHAMBER OF COMMERCE

Our May Luncheon is always special as we announce the Business of the Year. Congratulations to Wings of Life for being honored with the 2024 award. Their program is an affordable, Christ centered recovery program for individuals, married couples, and families. Their mission, "We provide Christ centered healing, holistic recovery and care to families and individuals struggling with addiction. A holistic approach to recovery. Spirit, Soul, Body." May your organization continue to be blessed for the work you do in our community.

We were also honored to have Mayor Sandy Stimpson speak at our Luncheon and announce the Business of the Year award winner. We are always appreciative of the updates Mayor Stimpson provides concerning projects in the City of Mobile and keeping us informed on upcoming projects as well.

The National Day of Prayer on May 2nd was a remarkable success. The attendance increases each year, which is great. Several individuals representing local churches and businesses stepped up to pray. We all walked away with a thankful heart and a feeling of peace and contentment due to the prayers that were lifted for so many leaders in our community, city, county, state, and nation.

Mark your calendars for Tuesday, June 18th, for our monthly Coffee with the Chamber networking event. Last month we had lots of fresh faces, so please invite someone from a business you know or call on to come with you and let's continue to increase the participation in this event. The Chamber is also working towards increased partnership numbers, so please reach out to businesses that might want to join with us in our efforts to make a difference in the communities where we live and serve.

As I stated last month, the planning of our 11th Annual Kid's Day event has started. If you would like to serve on the committee to plan this event or be involved in another way, please contact Tina or Hope. The next meeting will take place following Coffee with the Chamber on June 18th. This is a great outreach event for our community, and it will take the help of many volunteers to have a successful event on July 27th. If you are willing to volunteer, please let us know. We are currently accepting donations to purchase the school supplies for the backpacks. Please keep in mind that this event provides backpacks and school supplies for many local elementary school children who would not otherwise have the supplies they need to start school. Last year over 1,800 backpacks were provided!

As we near the halfway point of 2024, we hope you all know how much we appreciate and value your partnership, attendance, and dedication to the SouthWest Mobile County Chamber. If you have any special event, anniversary or highlight you would like for us to promote, please contact the Chamber Office. Our continued focus is "YOUR SUCCESS IS OUR BUSINESS."

"Coming together is a beginning. Keeping together is progress. Working together is success." -Henry Ford

THANK YOU FOR YOUR SERVICE

Congratulations to Officer Moez Wahid from the Mobile Police Department Precinct II on being selected as the Officer of the Month for May of 2024. Officer Wahid was recognized for his accomplishment at our Business Luncheon on Wednesday, May 1st, 2024. The SouthWest Mobile County Chamber of Commerce would like to say thank you for your outstanding efforts and continued commitment to our community! He is pictured to the right, alongside Mayor Sandy Stimpson and Captain Matthew James, accepting the certificate.

The SouthWest Mobile County Chamber of Commerce would like to say thank you for your outstanding efforts and continued commitment to our community! He is pictured to the right, alongside Mayor Sandy Stimpson and Captain Matthew James, accepting the certificate.

Deputy Audrey Emmons was also recognized for her efforts on Wednesday, May 1st. Deputy Emmons was named the Deputy of the Month for May of 2024. The Chamber would like to thank her for making the sacrifices she has to protect others in our community. Deputy Emmons is pictured to the left with Jason Prater, who represented Century Bank and assisted in presenting the award. We would also like to thank Sheriff Paul Burch and Officer Emmons' superior for their support of this recognition program. The Chamber is proud to have the opportunity to recognize local first responders and greatly appreciate those who help make this recognition possible.

In addition, the SWMCC would like to commend Captain Brycen Loper of the Theodore Dawes Fire District for his exceptional work. Captain Loper was recognized on May 1st as our first Firefighter of the Month. The Chamber would like to thank you for your faithfulness to serve and protect our community. He is pictured to the right with Chamber Board Member, Chief Frank Byrd. The Firefighter of the Month is the newest addition to our First Responder Spotlight. The Chamber is honored to have the opportunity to show appreciation towards these individuals for their bravery and dedication to our city. We appreciate the efforts of all three departments as well as their leadership for continuing to support the SouthWest Mobile County Chamber and its partners.

BROUGHT TO YOU BY

The SouthWest Mobile County Chamber of Commerce would like to thank Century Bank for sponsoring our Officer of the Month and Deputy of the Month Programs. We so appreciate their willingness to continuously recognize such outstanding members of our community. "Century Bank is a proud member of the communities we serve. Our involvement in extracurricular activities, fund raisers, organizations and other local events is a priority for directors, officers and employees of Century Bank."

The SWMCC would also like to thank the Mobile County Sheriff's Office for sponsoring our Firefighter of the Month Program. Sheriff Burch and his team are always willing to step up and help show appreciation to local first responders. "With three decades in law enforcement, he has served in several roles including uniformed patrol, general investigation, homicide investigation, and narcotics/VICE investigation. These accomplishments highlight Paul's dedication to serving the citizens of Mobile in a professional, respectful, and trustworthy manner." Without partners like Century Bank and the Mobile County Sheriff's Office, the Chamber would not be able to impact the SouthWest Mobile County Area as it has.

center empowering individuals and families through spiritual development, education, and opportunity.

We empower people to break destructive life cycles including poverty, addiction, incarceration and family violence. We accomplish this through Christian discipleship, wholistic education, and community partnerships.

Our vision is to see individuals, families, and communities transformed for the glory of God.”

TESTIMONIAL

Being named Business of the Year by the SouthWest Mobile Chamber of Commerce is an incredible honor and we are truly grateful! It's a testament to the hard work, dedication, and passion of our team. Being recognized by our community and those that believe in us means everything!

Wings of Life has been serving the people of Mobile for 34 years. For the last two years, we have been doing a “new” thing. We not only continue to serve men, women and married couples, but we also offer Christ centered holistic recovery and care to whole families struggling with addiction. We believe healing the whole family also keeps the community healthy.

Wings of Life loves the city of Mobile. As the first business of the year to receive a grant, we are not only honored to be recognized, but compelled to give back and contribute to the continued growth, prosperity, and health of our community. To be nominated with all of the other amazing businesses is humbling and motivating! Thank you Southwest Mobile Chamber for recognizing what we do!

NEXT LEVEL

“Your Success is our Business” Have you ever wondered why we have become so hard on ourselves and judge our success on our accolades and awards? True success is not defined by recognition from an individual or authority. Becoming successful is bigger than a trophy on a shelf. I have come to realize that the successes in my own life include the times I have found someone a job, inspired a young adult, took time to listen to a friend in need, and made strides in creating a great work environment for my staff. Now don't get me wrong, we have to meet levels of expectation in our jobs and in our businesses in order to remain employed. However, our purpose as individuals is not determined by the job title we carry but by the Lord's purpose and vision for our lives. I tell everyone He is the one who leads me and directs my path daily. Kids Day is one of those many great event opportunities the Chamber hosts each year. I am very passionate about this event because it not only unifies the community and local businesses but strives to meet the needs of less fortunate families. When we started this event 11 years ago I realized it was much bigger than myself and the Chamber. We needed to draw in more individuals to assist us because the needs were consistently growing each year. It goes without saying that we have had many negative comments regarding how and why the Chamber created this event. It started with just an idea and yet God has used us as a resource to impact our community and to make a difference in so many lives. I am a firm believer if you listen and obey, God will provide the resources for the vision He has shown you. When you see those students receive resources they would not otherwise have, you will realize that true success comes from the smiles on their faces and the opportunities you just opened up for them and their future. I encourage you to get involved and strive to impact others for that is the path to true success!

THE REAL ESTATE CORNER

Last month Merrill P. Thomas Co. Inc. reported the purchase of 2657 Old Shell Road for \$155,000. The site is situated directly across from UMS-Wright Preparatory School. Originally built as a Phillips 66 gas station in the 1950's, the property had most recently been occupied by Rainwater Radiator since 1996. The site will undergo extensive renovations for future use as the new headquarters for locally-owned Sam Winter & Co. Real Estate. "This new location gives us the room needed to expand and still provide a high level of customer service to our buyers and sellers," owner Sam Winter said. Pratt Thomas with Merrill represented the buyers in the transaction.

Greenville, South Carolina based Eastern Industrial Supply recently leased a 9,000 square-foot office and warehouse space sitting on roughly 1.5 acres and found at 1248 Montlimar Drive in West Mobile. The company specializes in the distribution of pipe, valves, fittings and commercial plumbing products and this is their first opening on the central Gulf Coast. Eastern Industrial Supply opened in 1980 and has a footprint covering North Carolina, Florida, Georgia, Tennessee and Alabama. Chris Harle with White-Spinner Realty represented the landlords in the transaction.

In May John M. Delchamps with the Merrill P. Thomas Co. Inc. reported representing both the buyer and seller in the purchase of 1700 Midway Avenue in Mobile, near Ladd Stadium, for \$599,000. The 16,000-square-foot warehouse space was sold to Port City Floats LLC (PCF) from a private seller. PCF is a family-owned business, established in 2020, that is fully focused on the culture of Mardi Gras. PCF offers float rentals throughout the year and for Mardi Gras events.

Last month, a local investor paid \$380,000 for a 3,800-square-foot building sitting on 1.25 acres of land and located at 2318 Wolf Ridge Road in Whistler. Chris Harle with White-Spinner Realty represented the buyer in the transaction. Joseph McCullough of McCullough Realty worked for the seller. The new owner plans to use part of the property for business expansion and will lease the remaining space.

In May, Mobile-based Schatzman Enterprises leased some 1,200-square-feet of office space located at 216 St. Michael Street. Marietta Urquhart and Jamie Ison of White-Spinner Realty represented the landlords in the deal. Jill Meeks of Stirling Properties worked for the tenant.
