

OSKAYAH AHKIKIW ANOKAAJIGAN APPLICATION

The Indigenous Chamber of Commerce's (ICC) mission is to grow the Indigenous economy by strengthening member success through networking, education, leadership and advocacy.

Statistics show that Indigenous youth are the fastest growing demographic in our city and province. ICC, as a business focused organization believes that Indigenous youth are a key factor in the future economy of our city and province, which has led to the creation of the Indigenous Chamber of Commerce Indigenous youth mentorship program (IYMP).

The ICC will support seven (7) Indigenous youth on their entrepreneurial journey by providing opportunities to access ICC's vast network, along with learning and networking opportunities; in addition to being matched with an ICC member mentor.
