OUR COMMUNITY

Achieve balance between working & living

WE DON'T SACRIFICE QUALITY FOR QUANTITY HERE; INSTEAD, WE STRIVE TO HAVE BOTH IN HARMONY.

Our riches are many - stable, dynamic economies, robust arts, excellent school systems, beautiful parks, lakes, rivers, forests and trails, reliable public services, and roads - and yet, our cost of living is surprisingly low. People who move here tend to stay here. They put down roots, make friends, raise families, and build futures. Residents become participants in their community and partners in progress. There is harmony between community and business. That is what quality of life is all about!!

1. RECREATION

- Picturesque rivers and abundant lakes, bountiful wetlands, and forest for any wildlife experience
- Expansive trail systems for all modes of transportation
- Northwood's League World Series Champions Wisconsin Rapids Rafter
- Wisconsin Rapids Riverkings Junior Hockey Team within the United States Premier Hockey League
- Tri-City Curling Club
