

A MESSAGE FROM YOUR CEO

Typically in the month of January we would be hosting our [Annual Dinner and Membership Meeting](#), including celebrating our much anticipated Business Award Winners and [Fundraising Auction](#).

The start to 2022 has proven to be as interesting as last year, and with respect to our community, due to an increased number of Covid19 cases, and having higher levels of disruption to our businesses, we have chosen to postpone the in-person event until March 3, 2022. More than 50% of the tickets have already been sold, and a number of venues are almost to capacity. To avoid disappointment, please [book your tickets](#) NOW.

Separately, as it will be very important this year to raise funds to continue our programs and maintain and improve our support of you, our members, we have launched an online auction. We love the platform, not only is it easy to use and view the amazing items up for grabs, we can also promote the very generous member businesses that have donated to this great cause! We have also introduced as part of this auction platform, the opportunity to purchase increased levels of membership, such as "[Membership Plus](#) and [Premier Membership](#)."

For more information please check out the articles in this newsletter.

It is very important to our Board and staff to ensure that you are updated annually on what we have been doing to support you, and I have also prepared an overview later in the newsletter (under "President and CEO Annual Report"). Our incoming and outgoing Board Chairs will also be addressing our membership at Mendenhall, where we will be hosting the first part and mixer portion our Annual Dinner event.

Thank you for your membership, engagement and support. I look forward to serving you in 2022.
