

Greater Eureka Chamber of Commerce and Redwood Coast Chamber Foundation Statement on Diversity, Equity, and Inclusion

The Greater Eureka Chamber of Commerce and the Redwood Coast Chamber Foundation are dedicated to advancing the values and benefits of diversity, equity, inclusion, and accessibility across our region.

We are dedicated to fostering and maintaining equitable, transparent, and inclusive boards of directors, membership, program participants, volunteers, and business environments. We invite and support participation by people of every race, color, religion, spiritual practice, gender, gender expression, age, national origin, ancestry, ability and disability, marital status, sexual orientation, military status, and other identifiers. We affirm that we do not tolerate discrimination, harassment, or intimidation of any kind.

We believe that each member of our community deserves every opportunity to enjoy the benefits of a strong economy and a vibrant quality of life. Celebrating diversity, championing equity, cultivating inclusion, and ensuring accessibility, with dignity and civility, are critical to the economic vitality and overall well-being of the North Coast.

We acknowledge that the Greater Eureka Chamber and the Redwood Coast Chamber Foundation are located on the unceded lands of the Wiyot people, where they have resided from time immemorial. We encourage all to gain a deeper understanding of their history and thriving culture. As an expression of our gratitude, we are genuinely committed to developing trusting, reciprocal, and long-lasting partnerships with the Wiyot people as well as all our neighboring tribes.
