2024 CRITERIA

THE OUTSTANDING BUILDING OF THE YEAR (TOBY) AWARDS

INDUSTRIAL CATEGORY

Please carefully review the following information before proceeding with your TOBY application.

PROGRAM, CATEGORY, AND COMPETITION INFORMATION

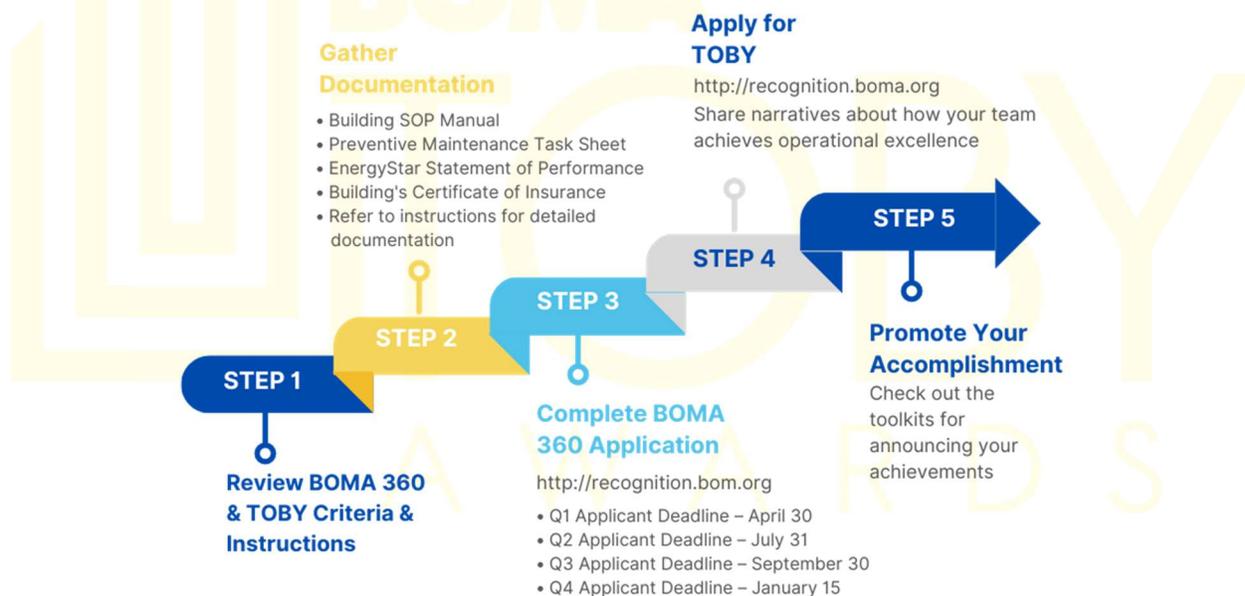

STARTING THE PROCESS

Now it's even easier to ensure your building achieves the ultimate success. Effective 2023, the TOBY Awards are only given to properties carrying a BOMA 360 distinction (starting at the Regional level) — the most comprehensive and holistic evaluation of operational and management practices. Now you have two opportunities to highlight overall excellence for community impact, emergency preparedness, sustainability, health and wellness, and additional performance metrics for both commercial and industrial buildings.

Before entering the TOBY competition, applying for the BOMA 360 designation serves as the first step in ensuring your building has achieved the minimum level of operational best practices. A new universal recognition platform has been created to simplify the process to help shape high-performance buildings by providing an opportunity to educate property management professionals, reinforce team-building relationships, and increase asset value and tenant retention on a global basis.

The BOMA 360 and TOBY applications have been consolidated into BOMA International's new 360/TOBY portal where applicants will have access to both applications all in one place. Applicants will have an opportunity to see areas where they can improve before entering the TOBY competition and have a stronger application.

Achieve the Recognition Your Building Deserves

CATEGORY DESCRIPTIONS – INDUSTRIAL

All buildings, comprising a total project, to include any single building industrial properties, one to two stories in height, with less than 50% office area. Building(s) must have a loading dock, roll-up or sliding door(s) for loading, with no common lobby or corridors except for restroom vestibules and utility or fire equipment access.

ELIGIBILITY REQUIREMENTS

Below outlines the requirements for TOBY participation:

1. All buildings competing at the Regional and International level must be BOMA 360-designated.
2. The building must win at the local level to advance to the regional level and must win at the regional level to advance to International.
NOTE: At-Large entries, entries that are outside the jurisdiction of a local association, must submit their portfolio directly to their region using BOMA International's new 360/TOBY Recognition Portal at <https://recognition.boma.org> for regional judging and must notify their regional awards chair of their intention to compete.
3. All portfolios must have undergone a building inspection and scored at least 70% to be eligible to compete. Each entrant must upload the completed and signed TOBY Building Inspection Verification form to be eligible to compete at the Regional and International level (this form is provided by your local BOMA association or International Affiliate organization).
4. The building must be a member, or managed by an entity that is a member, in good standing with both their BOMA local association and BOMA International in order to compete at the local, regional and international levels. Specifically, all membership fees, and any other debt, must be paid prior to entry.
5. The building may not have won in the same category at the international level during the last 5 years (i.e. Buildings that win in 2023 are not eligible to compete until 2028 and awarded in 2029). The building may not have won in a different category at the international level during the last 3 years (i.e. Buildings that win in 2022 are not eligible to compete until 2025 and awarded in 2026).
6. The building must be occupied for at least one full year from the date of occupancy of the first tenant by June 15, 2023 with a minimum of 12 months of building operations.
7. Buildings submitted in the Industrial category must have more than 5% and less than 50% office area as measured by BOMA standards.
8. All industrial buildings must be at least 50% percent average annual occupancy (leased occupancy).
9. Each building may enter in only one category.
10. Industrial category entrants are not required to be ENERGY STAR® benchmarked. However, if you would like to include that information, please complete both of the following:
 1. Provide a copy of the Statement of Energy Performance generated from ENERGY STAR® in the past 12 months. This is a mandatory requirement and omitting this step or uploading an alternate document may result in disqualification. The property does not have to be EnergyStar rated, but must submit copy of verified report.
 2. TOBY Inspection Verification Form

- | | |
|--------------------------------------------------------------|-------------------------------------------------------|
| 2. 2. Security/Life Safety | 10. Equipment Rooms/Service Areas |
| 3. Management Office | 11. Roof |
| 4. Elevators | 12. Parking Facilities (only if Owner/Agent Operated) |
| 5. Multi-Tenant Corridors | 13. Landscaping/Grounds |
| 6. Restrooms | 14. Trash/Refuse Removal and Loading Docks |
| 7. Stairwells | 15. Tenant Amenities |
| 8. Typical Tenant Suite (if applicable to building category) | |

The following documentation is mandatory where applicable and should be made available. On-line versions are acceptable but must be available at time of inspection at the property being inspected. Ease of navigation is essential to ensure that judges can easily and readily review:

1. Evidence of Evacuation Drills conducted within past 12 months. NOTE: Drills can be silent if applicable.
2. Regular Financial Reports/Accounting Software Used
3. Standard Operating Procedure (SOP) Manual/Documentation of Standard Operating Procedures
4. Purchase Policies
5. Preventative Maintenance Manual
6. BOMA Building Measurement Standard Global Summary Sheet as proof of certification (or other pre-approved certification) as provided by a measurement consultant.

Entrant should receive TOBY Building Inspection Verification form by their local BOMA or affiliated International affiliate organization. Any entry without an Inspection Verification form with their Regional submission will be disqualified.

ENTRY FEES

TOBY Local Entry Fees

A local competition fee may be applicable. Each Entrant should check with their local association concerning fees.

BOMA 360 Performance Building Program Fee

BOMA 360 designation is required at the Regional and International levels of the TOBY Awards competition and must be valid through June of the year in which they are competing (06/30/24 for 2024).

Initial application and renewal of BOMA 360 is **\$850.00** for members and must be renewed every three years.

Regional and International TOBY Entry Fees

A total of \$450 USD in entry fees will be paid to BOMA International for each submission entering the TOBY regional competition. These fees will be collected once the entry has been completed and the "Submit" button has been pressed. No additional fees are collected for the International competition.

NOTE: All entries must be submitted, and fees received prior to your region's submission deadline in order to compete. Fees are non-refundable. Regional deadlines will be posted on <https://recognition.boma.org>.

JUDGING / DATA / DEADLINES

1. Judging will occur at local, regional, and International levels.

2. Fees are non-refundable, due at time of entry. Entry is automatically disqualified for non-compliance.
3. Each BOMA local association may submit one building in each category to the regional competition.
4. Each BOMA region may submit one building in each category to the International competition.
5. Each regional competition must close no later than **March 31st.**
6. Each region must submit their regional winners to BOMA International by **April 15th.**
7. Judging at the International level will occur in April and May and the TOBY Awards will be presented during the *BOMA International Conference* held in June or July.
8. Updated Entry Requirements will be presented during or prior to the BOMA International Conference.
9. BOMA International's 360/TOBY Portal at <https://recognition.boma.org> will begin accepting entries for each new season approximately one month after the close of the BOMA International Conference. Check the 360/TOBY Portal for specific dates.

UNIVERSAL PORTFOLIO REQUIREMENTS

Photograph Requirements

- File Type: Hi-Resolution JPEG compressed
- Maximum File Size: 2 MB
- Do not use photograph collages (Only single images)

Supporting Document Requirements

- File Type: PDF, DOC, DOCX, RTF, TXT
- Maximum File Size: 5 MB

Descriptive/Summary Text Requirements

- Maximum word count is specified for each section

NOTE:

- Descriptive/summary text must be entered in the text box provided and may not be submitted as an uploaded file.
- Identify what an acronym represents at least once in each document.
- Text within required supporting documents does not count against character limits.

RECOMMENDATION

Text should be created in Word, or another similar program, and then copied and pasted into the text box. Please spell check prior to pasting it into the text box. Also, confirm that the copied text can be fully viewed online. If not, reduce the characters to fit the requirements.

PORTFOLIO SPECIFICATIONS

The following information must be provided electronically using BOMA International's 360/TOBY Portal at <https://recognition.boma.org> to be considered for both the regional and International competitions. Strict adherence to the portfolio specifications listed herein is **required**.

Local entries must check with your BOMA local association for local submission requirements.

NOTE: Each section is limited to a specified amount of words. All entrants are encouraged to save and review their entries before submitting to ensure that all text/content is captured in the entry.

SUBMISSION REQUIREMENTS	
SECTION	POINTS
BUILDING INFORMATION	0
<p>Describe the following:</p> <p>Building Description: Provide a summary of the physical description of the building(s), property, and location.</p> <p>Information required for TOBY:</p> <ol style="list-style-type: none"> 1. Building Name or Names if multiple buildings are being entered as a single entry 2. Number of Floors 3. BOMA Certified Total Building Rentable Area Square Footage 4. BOMA Certified Office Rentable Area Square Footage 5. Other Certified Rentable Area Square Footage (where applicable) 6. Exterior Building Description (type of facade, windows, roof etc.) 7. Year constructed or opened <p>Maximum of 350 words</p>	
<p>Attach the following:</p> <p>Provide the following photographs of your building(s):</p> <ul style="list-style-type: none"> • 2 Exterior of the building(s) • 2 Rear exterior of the building(s) • 1 Interior of the office • 1 Interior of the warehouse • 2 Additional photographs, the subject matter of which is the entrant's choice <p>Provide the following Awards Ceremony Photographs:</p> <p>In addition to the competition photos, all regional and International entrants must upload one high-resolution (minimum 300 dpi, 1,500 pixels wide or larger) color JPEG (JPG) of the building's exterior for display at the awards ceremonies.</p> <p>Also, a photograph (JPEG) of the management team (minimum 300 dpi, 750 pixels wide or larger) responsible for daily management of the building(s) is required.</p> <p>Total of attachments required</p>	
SECTION 1: BUILDING OPERATIONS & MANAGEMENT	5
<p>This section is designed to provide the reader with an overview of the building(s) and property since the judging at the regional and international level does not include a physical inspection of the building(s) and property.</p> <p>Describe the following:</p>	

<table border="1"> <tr><td>1. Lobby/Atrium Standard finishes (Mixed-Use: One per entity, lobby up to 3)</td><td>8. HVAC Distribution System</td></tr> <tr><td>2. Corridor Standard Finishes</td><td>9. Fire Life Safety Systems</td></tr> <tr><td>3. Restroom Standard Finishes</td><td>10. Loading Dock</td></tr> <tr><td>4. Typical Tenant Suite Standard Finishes (Mixed-use: 2 Suites from different entities)</td><td>11. Tenant/Visitor Parking (Separate Descriptions)</td></tr> <tr><td>5. Life Science: Typical Lab Tenant Suite (Lab to office ratio)</td><td>12. Emergency Generator/Backup Power</td></tr> <tr><td>6. Utility Distribution</td><td>13. List of awards with name of award and date; This list should match the items uploaded in this section</td></tr> <tr><td>7. Elevators</td><td></td></tr> </table>	1. Lobby/Atrium Standard finishes (Mixed-Use: One per entity, lobby up to 3)	8. HVAC Distribution System	2. Corridor Standard Finishes	9. Fire Life Safety Systems	3. Restroom Standard Finishes	10. 1. Lobby/Atrium Standard finishes (Mixed-Use: One per entity, lobby up to 3)	8. HVAC Distribution System															
2. Corridor Standard Finishes	9. Fire Life Safety Systems															
3. Restroom Standard Finishes	10. Loading Dock															
4. Typical Tenant Suite Standard Finishes (Mixed-use: 2 Suites from different entities)	11. Tenant/Visitor Parking (Separate Descriptions)															
5. Life Science: Typical Lab Tenant Suite (Lab to office ratio)	12. Emergency Generator/Backup Power															
6. Utility Distribution	13. List of awards with name of award and date; This list should match the items uploaded in this section															
7. Elevators																
<p>Maximum of 2,000 words</p>																
<p>Attach the following:</p> <ol style="list-style-type: none"> 1. Floor plan for your building showing your main lobby as well as two additional typical floor plans 2. Site plan or an aerial photograph. Aerial photograph should show the building(s) and property/boundary lines. 3. Copy of any certifications and/or awards that have been achieved that are not related to ENERGY STAR®, BOMA BEST, or BREEAM 																
<p>Note: Please combine multiple documents into a single attachment if necessary.</p>																
<p>Total of 4 attachments required - Up to 5 attachments allowed</p>																
<p>SECTION 2: LIFE SAFETY/SECURITY/RISK MANAGEMENT</p>		<p>15</p>														
<p>Describe the following:</p> <ul style="list-style-type: none"> • Procedures and programs for life safety, fire, disaster and security standards. • Training for property management and tenants as well as recovery procedures. If you work with local first responders and conduct live training, explain how this is accomplished. • Explain how the building monitors activities in common areas. • Explain how the building controls entry into the building, especially during non-business/non-peak hour. • Summary about your business continuity plan and if drills are conducted how they are documented and communicated. • Fire and evacuation drills are conducted, how often and when. • 																
<p>Maximum of 1,800 words</p>																
<p>Attach the following:</p> <ul style="list-style-type: none"> • Table of contents of your emergency preparedness and security standards manual(s). • AED policy or equivalent • Written security procedures (Table of Contents) • Copy of ADA plan (if applicable in your jurisdiction) • Reference of access control and surveillance systems in the building. How does the building control entry into the building, especially during non-business/non-peak hour? Explain how the building monitors activities in common areas. It is not necessary to include an entire policy manual on how this is handled. 																

SECTION 3: TRAINING AND EDUCATION	15
<p><i>NOTE: Training for building personnel can be in person or virtually. Delivery options include face-to-face, virtual online courses, in-house training, classroom instruction, or staff meetings. Participation in BOMA-sponsored training (in-person and virtual can also be considered).</i></p>	
<p>Describe the following for EACH team member:</p> <ul style="list-style-type: none"> • On-going training programs for building personnel including seminars, in-house training, and continuing education completed as well as designations, participation in professional organizations, and team building and how this is managed for all personnel. Detail prior year and current year training, plus future plans. • Management team participation in at least one BOMA-sponsored (local, regional, or international) event or international affiliate-sponsored event within the last 24 months (if applicable). • Training for both on-site and off-site building personnel dedicated to the property. • List of any management team industry certifications, degrees, or industry training <p>Maximum of 1,800 words</p>	
SECTION 4: ENERGY	20
<p><i>NOTE: It is not necessary for Industrial Entrants to benchmark their energy performance using ENERGY STAR®.</i></p>	
<p>Describe the following:</p> <ul style="list-style-type: none"> • Describe any programs in place to educate building operations staff, property managers, engineers, leasing agents, and other personnel such as tenants about the importance of and methods for conservation. Building staff/tenant education can be conducted virtually via online courses rather than by in-house training, classroom training, or staff meetings. This may include encouraging or requiring participation in the BOMA Energy Efficiency Program, ENERGY STAR® training sessions, BOMA BEST Practices, pursuing industry certification and professional development programs. (5 Points) • Describe your building maintenance procedures and how they contribute to energy conservation. This should include the following as well as any additional procedures followed (10 Points) <ul style="list-style-type: none"> ○ Preventative Maintenance Program ○ System Documentation ○ Equipment and System Performance Monitoring ○ Sensor and Control Calibration • Describe the steps taken to improve the energy performance of your building over the last three years (2 Points) • Describe the Energy Management System (EMS) in place in your building and the degree to which you use it to reduce the building's energy consumption. Provide measurable results demonstrating a reduction in energy and improved performance. (3 Points) <p>Maximum of 1,750 words</p>	
SECTION 5: ENVIRONMENTAL/SUSTAINABILITY/HEALTH & WELLNESS	15

Describe a minimum of 7 programs of which at least 3 should be related to Environmental and Regulatory and at least 3 related to Sustainability and then describe your waste management plan.

Describe the following:

A. Environmental & Regulatory (4 Points)

- Describe the policies and procedures in place at the building. This may include accessibility for disabled tenants and visitors, indoor air quality management and testing, storage tank management, generator testing and management, hazardous waste management, asbestos management, emergency clean up, blood-borne pathogen program, pandemic preparedness, and tenant environmental management and compliance.
- Describe the waste management plan, recycling policies, and building's exterior maintenance plan, including re-caulking, window washing, pressure washing, etc., green programs, and/or any other environmental management programs.
- Please include any additional environmental and regulatory policies and procedures not mentioned above that are being followed.

B. Sustainability (3 Points)

- Describe the policies and procedures in place at the building. This may include stormwater management, green-friendly landscape management, integrated pest control management, green cleaning, green purchasing policy, exterior building maintenance management plan, waste management and recycling, lamp disposal, water reduction and management, and traffic reduction initiatives. Please include any additional sustainable policies and procedures not mentioned above that are being followed.
- When describing these policies and procedures, explain if they are mandated by local, state, and/or federal compliance or other. If these programs are not mandated, explain the purpose for implementing them.

C. Waste (4 Points)

- Describe your building's waste reduction management work plan and source separation program.
- When applicable include:
 - Collection of organic wastepaper, metal cans, glass, plastic containers, and cardboard, lamp recycling, plus any other recyclables
 - Facilities diversion rate
 - Educational training for occupants, custodians, and general public.
 - Organizational statement for continuous improvement in the reduction and diversion of waste streams
 - Address the prevention, diversion, and management of solid waste generated as a result of day-to-day activities and infrequent events.
 - Future plans to increase recycling levels and reduce the waste generated.

D. Health & Wellness (4 Points)

- Describe policies management implemented to create healthy work environments for employees and tenants and to promote health in the community.
- Describe at least three wellness amenities available to one or all the stakeholders, such as rest areas, access to outdoor spaces, drinking water provisions, walking trails, fitness areas, immunization clinics, access to farmers markets, shared gardens, etc.

<ul style="list-style-type: none"> • Describe building features that address the health and wellbeing of the stakeholders such as daylight levels, lighting controls, glare controls, user comfort controls, smoking policy, acoustic conditions, etc. • Describe your pandemic plan. Examples include hand hygiene standards, health promotion signage, infectious disease plan response guidelines, contagious disease outbreak preparedness plan, enhanced cleaning, disinfecting and maintenance protocol, PPE Guidelines, etc. <p>Maximum of 3,000 words</p>	
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

<p>Attach the following:</p> <ul style="list-style-type: none"> • Documentation of waste management plan – TOC or other • Other documentation of recycling policies, exterior maintenance plan, etc. • Sustainable Policies – TOC or other • Waste audit • Other <p>4 attachments required – 1 optional – TOTAL 5 attachments</p>	
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

<p>SECTION 6: TENANT/OCCUPANT RELATIONS & COMMUNITY INVOLVEMENT</p>	<p>30</p>
--------------------------------------------------------------------------------	------------------

<p>Describe the following:</p> <p>A. Tenant and Occupant Relations (15 Points)</p> <ul style="list-style-type: none"> • Tenant Relations efforts and/or programs sponsored by building management within the last 12 months. • The building’s work management system for responding to tenant maintenance issues, as well as any ongoing programs for informing tenants of building operation problems. • Tenant amenities available such as health facilities, childcare and food service. • Indicate if tenant satisfaction surveys were conducted including the frequency and the date the last survey was last completed and actions management took to share results, and alleviate concerns and/or problems. • • An explanation of the major findings and the actions management took to share results, alleviate concerns and/or problems, and/or ensure that acceptable and “popular” procedures and activities were maintained. <p>B. Community Involvement (15 Points)</p> <ul style="list-style-type: none"> • The building management’s impact on the community. For example: jobs provided (as a direct result of the building’s existence), amenities to the community or the corporate environment (parks, blood drives, special events, etc.), tax impact (provide special assessments for roads, sewers, etc.), recognition awards, letters and roads and other transportation improvements. If the impact can be quantified as additional income for the community or charitable event or has some type of savings associated with the impact, please describe. When describing the current year’s events, please note programs and how long they have been in place. • How the building management’s efforts in this area have helped make the property a benefit to the local community. Only include corporate donations/activities if entrant can describe how the onsite management team personally participated or how it affected the property. • The building’s compatibility with neighboring properties and how the building affects traffic. (Optional) 	
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

<p>NOTE: Entrants should focus on amenities made available to the community as a result of the property and describe amenities open to the public to utilize. Demonstrate the building management or staff participation in community involvement and enrichment.</p> <p>Maximum of 1,800 words</p>	
<p>Attach the following:</p> <ol style="list-style-type: none"> 1. 3 Samples appreciation letters from the tenant or public 2. 2 Newsletters 3. 1 Copy of the summarized results from your most recently completed tenant/occupant survey <i>(if applicable)</i>. 4. 1 Tenant communications piece from the property management team 5. 3 Photographs reflecting the tenant events being described. 6. 1 Table of contents from the tenant manual. (Do not include the entire manual or photograph collages—only single images.) <p>Total of 10 attachments required – 1 optional - TOTAL 11 attachments</p>	

***** END OF APPLICATION *****

SUBMITTED CONTENT

Building Registration Information and the Building Description may be used in Awards Program materials and with the media. Photographs may be used, with attribution, in Awards Program materials, with the media and in other BOMA International materials. All other content may be used by BOMA International in the creation of new industry materials. BOMA International will not include identifying information, such as building name, owner, etc., in these materials without the entrant's consent.

Building Owners and Managers Association (BOMA) International

The Building Owners and Managers Association (BOMA) International is a federation of 87 BOMA U.S. associations and 18 BOMA International affiliates. Founded in 1907, BOMA represents the owners and managers of all commercial property types including nearly 10 billion square feet of U.S. office space that supports 3.7 million jobs and contributes \$205 billion to the U.S. GDP. Its mission is to advance the interests of the entire commercial real estate industry through advocacy, education, research, standards and information. Find BOMA online at www.boma.org.

BOMA International • 1101 15th Street, NW, Suite 800 • Washington, DC 20005 • 202-326-6300 • <https://recognition.boma.org>
