

As proud members of BOMA Greater Los Angeles, we're dedicated not only to representing building owners and managers across our region, but also to making a meaningful impact in the communities where we live and work.

This holiday season, we invite you to take part in a special initiative: coming together as a community to support local charities through our annual toy drive participation. Together, we can harness the strength of our network to share hope, resources, and care during this season of giving.

The toy drive will run from Monday, October 27 through Friday, November 28. We encourage you to donate new, unopened toys for children ages 1-15. Donations can be placed in the holiday collection boxes located throughout your building, including the lobby, office, or parking office.

Let's come together, give back, and brighten the holidays for children and families across Los Angeles.
