

2026 Annual Toy Drive

MAKE THE HOLIDAYS BRIGHTER

Now in its 37th year, the BOMA Greater Los Angeles Toy Drive brings members together each holiday season to help bring joy to children in need throughout our community.

HOW IT WORKS

Participating companies place a decorated, repurposed janitorial, engineering, or other container in their building lobby to collect new, unwrapped toys. Help spread the word through tenant communications, company newsletters, email, digital marketing, employee appreciation events, holiday parties, and other seasonal activities.

We make it easy to get involved. BOMA/GLA provides promotional materials to help you get your toy drive campaign started, including:

- Gift suggestions
- Tenant memo
- Captivate artwork, if needed
- Promotional flyer template

Collect. Give. Make a Difference.

Join BOMA/GLA members in making the holidays brighter for children in need.
