LIST YOUR BUSINESS ON THE SMALL BUSINESS SATURDAY “SHOP SMALL” MAP

Small Business Saturday is the “shopping holiday” between Black Friday and Cyber Monday when consumers are encouraged to #ShopSmall. Sponsored by American Express and backed by legislation, it’s a chance for small businesses across the country to get increased exposure at the start of the holiday shopping season. This year, Small Business Saturday will be observed on Saturday, Nov. 27. To build on existing community support and continue to grow, small businesses can boost consumer awareness and reach more holiday shoppers by participating in Small Business Saturday. From generating awareness for your business to potentially boosting sales, adding your small business to the Small Business Saturday map can offer many benefits at no cost to you. [Read this guide to learn how to sign up for the Shop Small map from the U.S. Chamber.](#)

How they VOTED:

The right to vote for representatives is the primary right by which other rights are protected. There is no greater responsibility on the part of citizens than to cast an informed vote. Sadly, information comes too frequently in the form of advertisement or is missing altogether in public

discourse.

Our mission is to inform the public to help our citizens make informed choices. The Coalition wants to document how our representatives voted on issues relating to the preservation of our city's charm and unique character.
