

**SHOP SMALL**

**TIPS ON HOW  
TO SUPPORT  
LOCAL  
BUSINESSES  
DURING  
COVID-19  
PANDEMIC**

**TIP 1:**

## **PURCHASE A GIFT CARD**

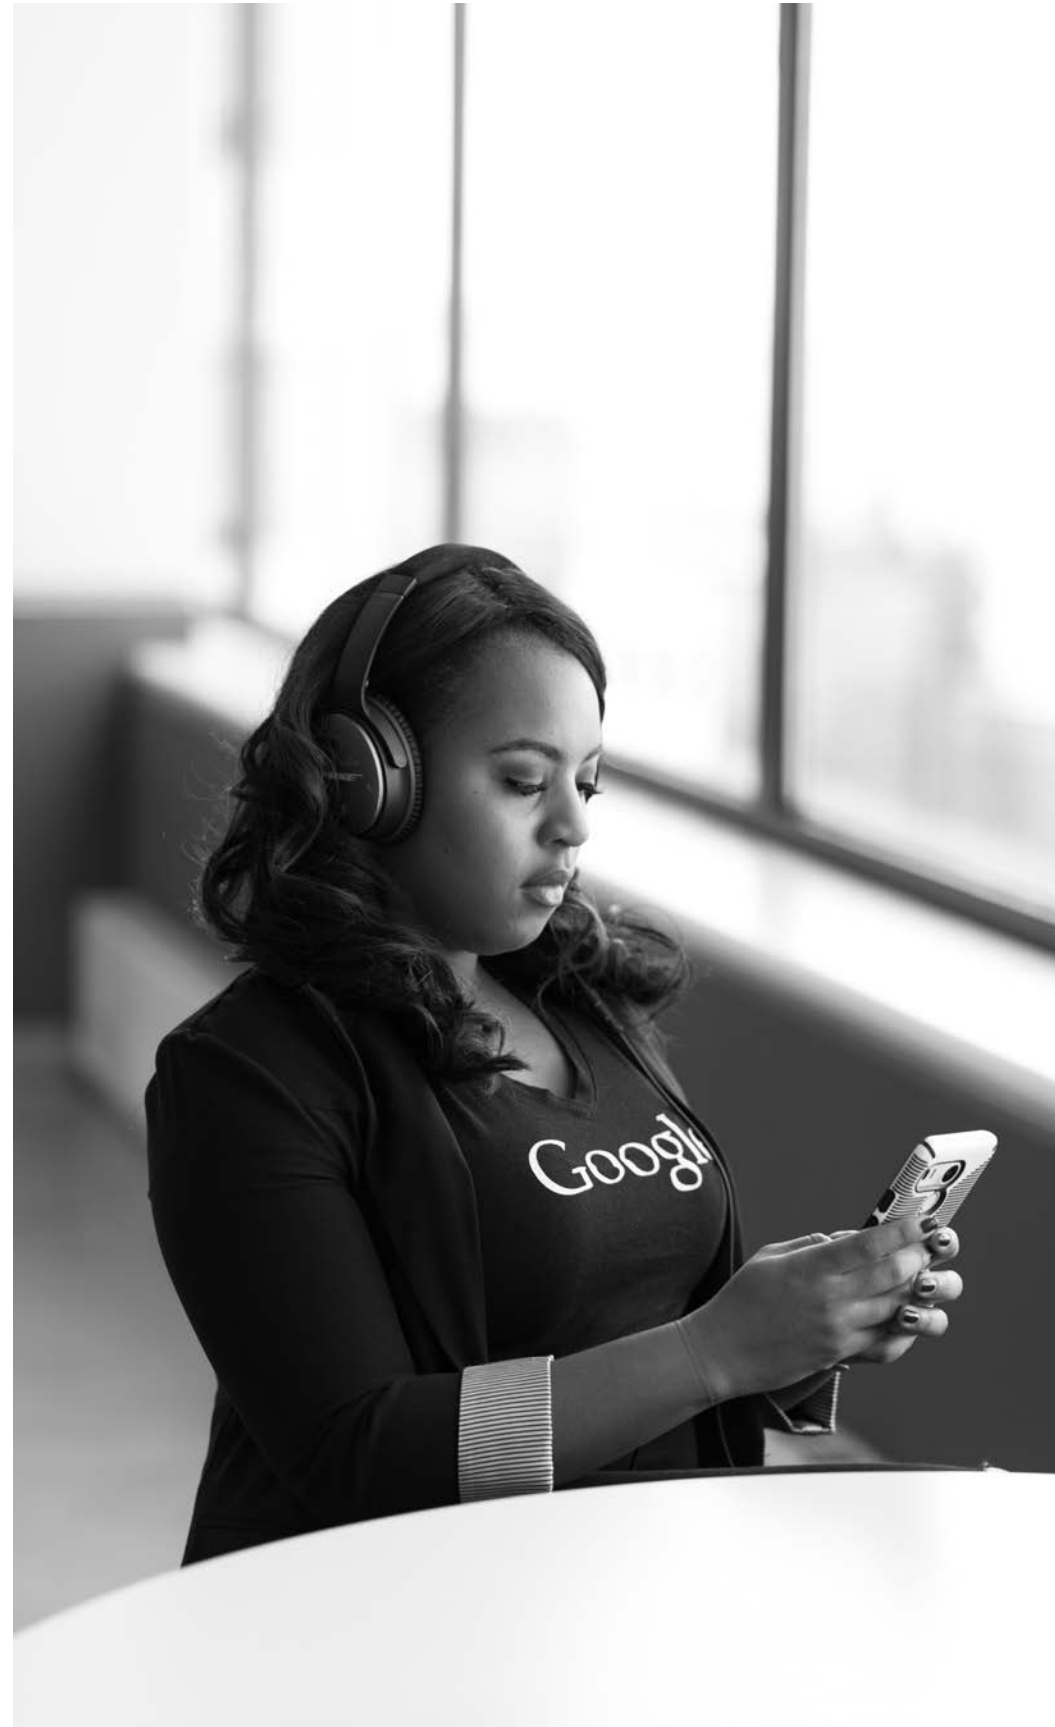

Purchasing a gift card helps stores with their revenue NOW and lets you enjoy a treat at a later date!

**TIP 2:**

## **SHOP LOCAL ONLINE**

Some small businesses have online shopping available. If they do not, comment on their social media platforms to see if you can find alternate means of paying for their products and if they offer a drop-off or pick-up policy!

**TIP 3:**

## **LEAVE AN EXTRA TIP!**

Due to the new restaurant occupation regulations, restaurants can only seat half the people they normally do. Leave your server a larger tip to offset the loss of extra tables.

**TIP 4:**

## **COMMENT & SHARE**

This no-cost option takes only a few seconds! Comment or share your local business' social media posts to help market them to a broader audience.

**TIP 5:**

## **ORDER TAKE- OUT OR DELIVERY!**

Support your local restaurant by placing an order to go! If they offer delivery, or use an app that does, use that option to stay home while maintaining the "six feet" of distance between people you don't live with.
