President/CEO of the Lockhart Chamber of Commerce

Information Hub, Solution Center, Bottom-line Generator

On July 16, the Lockhart Chamber of Commerce hosted a New Member Orientation. Many times businesses join the chamber without fully understanding what services the Chamber of Commerce provides. Did you know 49% of consumers are more likely to think favorably of a small business and 80% more likely to purchase goods or services from a Chamber of Commerce Member? (Shapiro Group, TCCE)

The Chamber of Commerce is the local information hub, the solution center to business needs and a bottom-line generator. We are working on your behalf!

Learn how to better utilize your chamber membership by attending our Chamber 101 Class Thursday, August 16th. New services and new events are coming your way. We look forward to hearing how we can better serve your business.
