

**February 2020**

The chamber would not operate without the support of their membership, board of directors, and volunteers. I can't thank you enough for all that you've done to help us with the Chamber Banquet. The 85<sup>th</sup> Annual Chamber Banquet was a huge success. We had almost 400 guests register for the event, a great silent auction, and a memorable night for the award recipients. Please take a moment and congratulate the 2019 award recipients:

**Business of the Year: Printing Solutions, Ron Faulstich**  
**Most Worthy Citizen: Vance Rodgers**  
**Agribusiness: Schmidt Ranch**  
**Individual Spirit Award: Abel De La Cruz**  
**Non-profit Spirit Award: Lockhart ISD Foundation**  
**Individual Spirit Award: Greg Gunther**  
**Individual Spirit Award: Scott Hippensteel**  
**CTR Spirit Award: Dennis & Melissa Estrada**  
**Ambassador of the year: Arnold Alonzo**

I want to share with you the continued and lasting relevance that the Lockhart Chamber of Commerce provides. We help create an environment for your business to thrive. We are the hub of the economic network through which all connections flow. We are business matchmakers and strategic connectors.

There is a tremendous amount of work required to accomplish our mission statement and collaborating with other entities in our community helps make these goals obtainable. It is very important to maintain a strong public, private partnership, meaning all entities collaborating on a common goal. These relationships are something we will continue to nurture this year and in the future.

In 2020 we will focus on staying relevant to the needs of our businesses and becoming more innovative to better serve them. I believe chambers have two choices: to be proactive to the changes coming, or to be reactive and struggle with innovation. The Lockhart Chamber will explore cost effective tools to offer business related growth opportunities to the businesses to help develop and sustain the workforce. We want to be an organization that is thriving, not just surviving.

Sincerely,

Kaley Frye
