Spring Into Action

March comes “in like a lion, out like a lamb.”

Here's to more palatable weather and spring days! Spring time is associated with a season of growing. However, before we can grow, we must plant the seed. From the results of the 2018 Year End Survey, it can be concluded that the membership has seen the efforts of your chamber board and staff of planting the seed and laying a new foundation. Since January 1, 2019, the Lockhart Chamber of Commerce has already grown by 10 new members! It is our goal to continue to expand our program of work and add more value to your chamber membership. Please review your monthly newsletters to learn more about how we are creating an environment for your business to thrive.
