Partnering & Productivity

The first half of 2019 is almost complete and we are happy to give you a snapshot of the Lockhart Chamber's productivity. Since the beginning of the year, the Lockhart Chamber of Commerce has gained 21 new members. As the Visitor Center, we have mailed over 1,000 Lockhart brochures and have serviced over a dozen relocation requests. The chamber has partnered with the LEDC and others to bring Austin Community College Continuing Education to Lockhart. In addition, the chamber has participated in the 2019 Workforce Forum hosted by the Workforce Solutions Rural Capital Area. The Lockhart Chamber of Commerce is

currently assisting in the creation of a Cultural Arts District. The creation of the Cultural Arts District can assist in drawing and retaining businesses, generate cultural tourism, assist in engaging residents in community events and revitalize downtown. The chamber continuously relies on partnerships to produce increased productivity. We are planning for the 47th Annual Chisholm Trail Roundup Rodeo & Music Festival, and we cannot make the festival a success without the support of our sponsors and volunteers! Thank you for your continued support of the Lockhart Chamber of Commerce.

As always, we are creating an environment for your business to thrive.
