

### Merry Christmas & Happy Holidays from the Lockhart Chamber

Thank you for supporting our small businesses on Small Business Saturday! Supporting our local businesses supports local families and our local economy. Although Small Business Saturday has passed, please remember to shop small and shop local all holiday season. Lockhart is full of small businesses that will help you check off your holiday gift list.

The 86th Annual Chamber Banquet will look different this year but we aren't going to miss out on honoring our business and community leaders with our annual awards. Please take a moment to nominate businesses and individuals to be recognized for their outstanding service,

leadership, and commitment to Lockhart and the surrounding area by completing the nomination forms below:

As we move into the year, although we don't know when we will be able to conduct business as usual, our goal remains the same; to create an environment for your business to thrive. Per our by-laws, the mission of the Lockhart Chamber of Commerce is: to improve and strengthen the business environment of Lockhart in order to promote the economic well-being of all citizens; to provide services to members; to communicate views of the business community; and to enhance the quality of life for the entire community; to support constructive initiatives on major issues of public policy.

Lastly, we invite you to join us for a Chamber 101 class to learn more about what your chamber membership means for you. Our next Chamber 101 class will be held on Wednesday, December 9th at 12pm at the Lockhart Chamber office. To ensure social distancing, we are asking anyone that wishes to attend to register online [HERE](#).

Wishing everyone a very Merry Christmas and Happy Holiday season from the Lockhart Chamber of Commerce Board of Directors and Staff!

## Lockhart EMS

On November 19, the Leadership Lockhart Class 1 learned, from behind the scenes, how the City of Lockhart operates. The leadership students learned what kinds of things a city needs for its citizens to live, learn, work, shop, and play. An overview of city organization, developmental services, city finance and public works were some of the topics discussed. Next, the students visited the Lockhart Fire Department to test their fire fighting skills in our community.

The Chamber of Commerce would like to thank:

City Manager, Steve Lewis; Director of Finance, Pam Larison; City Planner, Dan Gibson; Director of Public Works, Sean Kelley; Fire Chief, Randy Jenkins; Director of Emergency Services, James Jewell; Mayor Lew White; City Councilmember Angie Gonzales-Sanches; City Councilmember, Jeffry Michelson for training our future leaders. A special thanks to Rick Arnice with Lower Colorado River Authority for sponsoring the Leadership lunch.
