

It's Cinco de Mayo! It's getting warmer in Texas and there's A LOT happening at the Lockhart Chamber of Commerce. The plans continue for the 48th Annual Chisholm Trail Roundup, June 10th—June 12th this summer. We are very appreciative of everyone who has contributed in sponsoring and helping make the festival possible. With that being said, we would like to give a special thanks to the City of Lockhart, First Lockhart National Bank, and Pegasus Schools. We couldn't do it without the generosity of the entire community.

This Friday, on May 7th from 6:00PM to midnight, festivities will begin for the celebration of Cinco de Mayo on the Lockhart downtown square. The celebration will continue Saturday from 12:00PM Noon to midnight. Thank you to the Greater Caldwell County Hispanic Chamber of Commerce for putting this fun event together!

Don't forget—Mother's Day is this Sunday, May 9th. To all of the moms out there—we thank you for everything you do and we love you!

Chamber Luncheons are back! May 13th we will have a luncheon at the Connection Center at 12:00PM Noon. Entry is \$12 / member and \$15 / non-members. Crescent Dental is our wonderful sponsor for our May luncheon, and The Original Black's BBQ will be serving us delicious meals. Please be advised that we will not have a luncheon in June due to Chisholm Trail Roundup events, but should continue to run regularly again in July. We have some fun things planned for everyone, so we hope to see you all there.

The Chamber is still accepting applications for the following events related to Chisholm Trail Roundup: Food & Craft Vendors, Running of the Bulls (Bull Creators & Runners), the BBQ & Chili Cook Off, and the Grand Parade. Call the Chamber office for information on how to get those applications.

The Leadership Lockhart Class thanks the Superintendent Mark Estrada, Christina Courson, and the LISD board members, faculty, and students that participated in our class on April 22nd. The 8th class focused on Education within our community, and the class was given tours of Clear Fork Elementary, Lockhart Junior High School, and Lockhart High School. We were so amazed at all that is available to the students.

The student hosts were poised and professional in guiding us through their campus. At Lockhart High School, we were blessed with a student panel comprised of

HS students talking about their experiences at LHS. They spoke so highly of the counselors and staff that engage in paths of their success.

The LHS Culinary Program gave us a taste of their skills by serving us a wonderful lunch while we heard from the School Board President, Steve Johnson, followed by a presentation about Finance and Business Operations by Nicole Dean. We also heard from Adam Galvan who spoke to us about Operations, Facilities, and Technology, as well as from the Deputy Superintendent, Kim Brents, Dr. Camarillo, and Christina Courson herself.

Our final Leadership Lockhart Class will be covering Agriculture in our community on May 27th with tours to Luling Foundation Farms, Luling Lavender Fields, Tips Turf and Tree Farm, and Swift River Pecan Facilities. See you all next month!
