Who Are We?

Professional Women in Building Members work in all aspects of the building industry - as owners, builders, remodelers, trades partners, suppliers, marketing experts, designers, lenders, real estate, etc. We are a strong and diverse network making advancements for women working in the building industry.

The number of women, in the male-dominated industry, is growing by leaps and bounds. This trend might be the best possible thing for the industry. Professional women in Building are making their mark and showing the way forward for an industry that is evolving at lightning speed.
