Jodi started at Kelly Paving, Inc in 2002 as a Flagger through the WV Laborers Apprentice Program. In 2019, She was promoted to a Foreman position as Traffic Control Supervisor. In 2023, she became a Milling Foreman. She said the main reason she got into Construction was her entire family worked in the industry. Jodi brings an enthusiastic and positive attitude to work every day. She does an excellent job uniting everyone from hired haul drivers to subcontractors to achieve the common goal and is an instrumental part in making things happen out on the road.
