CREATING BETTER COMMUNITIES

Since its inception in 1994, over 700 tri-county business leaders have graduated from Leadership Fort Lauderdale. This diverse program has significantly assisted those participants in their understanding of local issues as well as creating a strong bond with fellow graduates.

This has led to their impacting the community with their diversity and improving the quality of life with their continued involvement

THE PROGRAM

The future of our communities depend upon well-informed and involved leaders. Leadership Fort Lauderdale is designed to create better communities by identifying, educating and motivating leaders.

Founded in 1994, the program is sponsored by the Greater Fort Lauderdale Chamber of Commerce. As a participant in Leadership Fort Lauderdale, you will:

- Develop an awareness of business issues and challenges facing your community and the region.
- Discover your personal leadership strengths, and find new areas where you can make meaningful contributions.
- Increase your ability to articulate a vision of the community and put that vision into action.
- Network with a diverse, regional group of community and business leaders.
- Make a commitment to creating better communities.

CURRICULUM

Leadership Fort Lauderdale is a nationally recognized, innovative approach to providing greater awareness of business issues and training in leadership skills.

Leadership Fort Lauderdale is a nine month program, 2nd Tuesday of each month. The program prepares leaders to work individually and collectively to create better communities.

APPLICATION

Leadership Fort Lauderdale's progressive approach to training knowledgeable leaders requires the commitment and active participation of all class members. Participants will attend eight full-day sessions on the second Tuesday of each month from October through May. The program also includes an orientation and full-day retreat. Regular attendance is mandatory in order to graduate.

Leadership Fort Lauderdale application forms are available from the Chamber office, 512 NE 3rd Avenue, or by calling (954) 462-6000, ext. 8759 or on our website: www.ftlchamber.com, The Chamber, Chamber Groups, Leadership Fort Lauderdale Application.

Applications are accepted each summer for the fall program. Each applicant will be expected to submit an application, along with signed support from his/her employer to attend the program. Approximately 25 men and women from a wide range of interests and backgrounds are selected annually for participation.

LEARN ABOUT THE ISSUES...

In addition to educating participants about Greater Fort Lauderdale and providing leadership skills training, Leadership Fort Lauderdale will address key issues facing the community from a business perspective.

The program will provide an in-depth look at the history and government of Fort Lauderdale; impact of the tourism/hospitality industry; inner workings of the area's infrastructure; legal and educational systems; urban and business development; recreational, cultural and entertainment organizations; and the unique South Florida environment.

DIVERSITY

Your investment in Leadership Fort Lauderdale will yield significant dividends in terms of knowledge, understanding and experience. The program appeals to a diverse audience of active and involved men and women.

- Small business owners, managers and career-minded individuals who want to expand their knowledge of business and community issues and strengthen their involvement in community affairs.
- Individuals from the public sector who seek a broader view of the community and a better understanding of local and regional business issues.
- Concerned community volunteers who aspire to increase their effectiveness in the community.
- Existing and emerging leaders who hope to shape the direction of their community and region.

The Leadership program curriculum will provide broad-based perspectives to familiarize you with the business challenges facing Fort Lauderdale, as well as the community resources available to address those challenges. Experts from a variety of fields will present some of the following topics from a local perspective:

Regional Issues	Government	Government
Economic Development	Education	Education
Future Trends	Human Services	Human Services
Quality of Life	Technology	Technology
