THE GOLF COURSE

TIMELESS — THAT'S CATARAQUI.

The Greater Kingston Chamber of Commerce (GKCC)'s annual Chamber Golf Classic is back on Monday, September 11th, 2023, at Cataraqui Golf & Country Club.

One of Canada's most celebrated courses, Cataraqui has stood the test of time when it comes to SCOREGolf's biennial ranking of Canada's top courses.

Situated in a picturesque part of Kingston near Lake Ontario, Cataraqui is one of the masterworks of Stanley Thompson, Canada's greatest golf designer. Easily walkable and visually spectacular, for more than 100 years, Cataraqui has been the heart of golf in Kingston.

The only private golf course between the outskirts of the Greater Toronto Area and Ottawa to the northeast, Cataraqui is the perfect setting for our tournament.

Our past sponsors and attendees say it is a delight to play and caters to golfers of varied abilities.

The man on the right is wearing a white polo shirt and khaki pants, also holding a golf club. They are standing on a green field with golf bags on carts in the background. INTERESTED IN ATTENDING?

Stop saying I wish, start saying I will.

The golfing world has been the backdrop for corporate decisions and business deals since the first country club opened its doors in the late nineteenth century.

When business is mixed with golf, the course becomes a platform that goes far beyond fairways and greens. Golf is a great way to entertain clients, grow relationships, build employee morale, and thank your partners.

Playing in the tournament provides an opportunity to spend valuable time with your existing and prospective clients. Golf outings are unique in that they give participants four focused hours on the golf course—a rarity in today's busy world. With several hours spent in a relaxed environment, you can strengthen relationships with existing clients and convert prospective clients into actual clients.

It also provides you the opportunity to treat clients to an exceptional day of golf, helping you to stand out from your competition. Thank your existing clients with a memorable golf day. Make your golf day the one that your clients and prospective clients want to attend.

In today's competitive job market, businesses need to find ways to attract and retain top talent, which means demonstrating that business priorities include more than just the bottom line. A golf outing can also be used to engage employees, providing a reward for a job well done, building morale, and encouraging team building.
