The Brandon Valley Area Chamber of Commerce is excited to roll out our second issue of INSIDE BRANDON! The response by our members and the community has been truly overwhelming.

This issue continues our great partnership with the City of Brandon with useful information for you as we move into the fall/winter seasons. We are proud to have broadened our scope and reached further in partnering with the Brandon Valley School District. A portion of this issue focuses on the upcoming Pigskin Classic and the 2018-19 school year. This issue also spotlights a couple of great events organized by the Chamber including Shop Small Saturday. This event continues to grow each year because of the loyalty and participation of the great businesses and customers that we have in Brandon.

It is an honor to sit as the board chair of the Chamber this year and have the opportunity to work with so many amazing people and members of the community. We look forward to continuing our efforts in supporting our city and hope that each edition of INSIDE BRANDON will offer you helpful, useful information about our growing community.

Thank you,

Jason Melcher

SMALL BUSINESS SATURDAY

The Brandon Valley Area Chamber of Commerce has been a neighborhood champion for Brandon, SD every year since 2014. Neighborhood champions rally small businesses to participate on Small Business Saturday. This year, small business Saturday is on Nov. 24. Founded by American Express in 2010, this nationwide movement helps bring attention to the importance of supporting small businesses in communities across America.

The story of Small Business Saturday

Source: <https://www.americanexpress.com/us/small-business/shop-small/about?linknav=us-open-shops-small-home-nationallanding-sbshistory>

THE FOUNDER

It's 2010, and small businesses are hurting from an economy in recession. In an effort to support these local places that make our communities strong, American Express launches Small Business Saturday on the Saturday after Thanksgiving — hoping to help bring more holiday shopping to small businesses.

BrandonValleyChamber.com

SMALL BUSINESS SATURDAY

THE STATES

Just one year after the launch, local officials across the nation take notice and promote the day. In 2011, the Senate unanimously passes a resolution in support of Small Business Saturday. By 2012, officials in all 50 states participate. It even gets a shout-out from the President of the United States.

THE SUPPORTERS

In 2013, more than 1,450 individuals and organizations sign up to be Neighborhood Champions and rally their communities with events and activities on the day.

By 2017, that number has increased to more than 7,200 Neighborhood Champions — in all 50 states. And they're not alone. Business associations, nonprofit trade groups, municipalities and public officials unite to form a Small Business Saturday Coalition, and nearly 100 corporations lend their official support.

THE OWNERS

Small business owners embrace the day; the impact is felt on every corner. In 2017, an estimated 108 million consumers reported shopping or dining at local independently-owned businesses on Small Business Saturday — equating to roughly 43% of Americans.¹

¹ The statistic cited is an estimate based on projections from a nationally representative sample of adult consumers as reported in the post-2017 Small Business Saturday Consumer Insights Survey commissioned by American Express and the National Federation of Independent Businesses. The Survey gathered self-reported data and does not reflect actual receipts or sales.

THE SHOPPERS

As it catches on in neighborhoods everywhere, Small Business Saturday goes from a cause to a day of community celebration. In 2017, 90% of consumers surveyed said Small Business Saturday has had a positive impact on their community.²

² The statistic cited was based on an online study conducted among a nationally representative sample of adult consumers as reported in the pre-2017 Small Business Saturday Consumer Insights Survey commissioned by American Express and the National Federation of Independent Businesses. The Survey gathered self-reported data and does not reflect actual receipts or sales.

ARTICLE CONTINUED ON NEXT PAGE. . .

THE COMMUNITY

Today, the idea that started with one company in 2010 has evolved into a holiday shopping tradition and nationwide movement driven by millions of individuals. And it continues to grow.

American Express is proud to support a day and a movement that truly belong to the communities who make it possible — the organizations, local officials, Neighborhood Champions, Corporate Supporters, small business owners, and shoppers who come together to celebrate their favorite places each year on Small Business Saturday.

WINTER

**Rules and Regulations in the
Brandon Community during winter.**

DISPOSAL OF SNOW FROM SIDEWALKS

The owner or occupant of any lot or parcel of land in the City abutting on any sidewalk is responsible to keep the sidewalk free from snow within forty-eight (48) hours after the termination of any snowfall or accumulation. Removal of accumulated snow may not be deposited upon any sidewalk, within or upon any public street or alley, or in any manner that will obstruct or interfere with the passage or vision of vehicle or pedestrian traffic.

If the owner or person in charge fails to remove the snow within forty-eight (48) hours of the snowfall, the City will remove the snow and charge the costs to the adjacent property.

DISPOSAL OF SNOW FROM DRIVEWAYS AND PARKING AREAS

The owner or occupant of any public or private driveway, parking lot or parking area is responsible for the removal of

accumulated snow of which may not be deposited upon any sidewalk, within or upon any public street or alley, or in any manner that will obstruct or interfere with the passage or vision of vehicle or pedestrian traffic.

DISPOSAL OF SNOW FROM AROUND MAILBOXES

It is the responsibility of the property owner or occupant in possession of any mailbox located upon a driveway, parking lot or public right-of-way to remove and dispose of accumulated snow from the immediate area around the mailbox so as not to obstruct or interfere with the delivery or collection of the United States mail.

DECLARATION OF SNOW REMOVAL ALERT

A snow alert will occur automatically with the accumulation of three (3) inches of snow on the public streets or when the person designated determines that

snow removal from the public streets will begin. That person will announce through local news media and whatever other sources are available that a snow removal alert is in effect and will be enforced, designating a particular date and time when the alert will begin.

PARKING DURING SNOW REMOVAL ALERT IN ALL AREAS OF THE CITY

Parking on any public street of the City will be completely prohibited, on both sides and regardless of the directional run of that street, during the existence of a snow removal alert.

Visit CityofBrandon.org for the full SNOW REMOVAL Ordinance. City Ordinances: Ordinance Book: Title 10 – Sidewalks, Roads, Alleys and Public Grounds: Chapter 10-2 Snow Removal

AUCTION Amore

Join us for an evening of hors d'oeuvres, spirits and an entertaining auction experience! The Brandon Valley Area Chamber of Commerce is holding the 7th Annual Auction Amore on Friday, February 8th just in time for Valentine's Day. This is a great way to get out of the house and have a "date night" with your significant other or just a fun time out with friends. 10% of net proceeds from this event go towards scholarships to Brandon Valley High School Seniors. Last year's event made it possible for the Chamber to award three \$500 scholarships to some very deserving applicants.

ION more

This event caters to all with auction items ranging from \$40 game tickets to vacation packages valued over \$1,000! There is something for everyone as we have items for couples, golfers, music enthusiasts, wine lovers and much more. There will be a silent and live auction with over 50 items to bid on. Did I mention there will be free wine for the early birds from 5:30-6pm? Tickets are just \$20 and can be purchased in 2019 online at BrandonValleyChamber.com or at the Brandon Valley Area Chamber of Commerce office Monday-Friday 8am-5pm. Space is limited as there are only 300 tickets available.

HEADS & TAILS

Ever played heads or tails auction style? For \$10, you can have the chance to win \$250 cash by entering the Heads & Tails Contest. Right before the Live Auction, our auctioneer flips the coin and you predict if the coin toss is Heads or Tails by placing your hands on your head or hands on your tail. Whatever the coin says is who remains playing. The winner is the last person standing!

GIFT BOX SURPRISE

Is jewelry what you like? Play the Gift Box Surprise game for \$10 and receive a pair of earrings as well as a chance to win your choice of a women's or men's Michael Kors watch or a fashionable jewelry item worth \$250+ from the Diamond Room.

WINE PULL

Another fun game is our wine pull. 30 bottles of wine are packaged and ready for purchase, making every participant a winner! One lucky person will hold the winning bottle giving them the option of the grand prize Riddle's Jewelry necklace or bracelet on display.

TRUMP CARD

In true TRUMP style, we are shaking things up with this new spin on our silent auction. Purchase a card from the deck for a chance to steal a silent auction item of your choosing!

For more information on this event, please check out our website in the new year at www.brandonvalleychamber.com. We hope you will join us for an evening of food, fun and excitement!

LOCAL NEWSPAPERS KEEP YOU IN THE KNOW

By Jill Meier
BV Journal & BV Trader

Ever wonder what's happening inside the city council chambers or school board meetings? Or want to know more about the new business in town, the big event coming up or how the hometown football team's season is shaping up? Your community weekly newspaper - the Brandon Valley Journal - will answer those questions and a whole lot more.

Community newspapers are very much the historian of the community(ies) it serves. The essential role that local news will continue to play in the lives of individuals is an enduring reality. Warren Buffett said it best after he invested \$300 million in newspapers several years ago: "If you want to know what's going on in your town - whether the news is about the mayor or taxes or high school football - there is no substitute for a local newspaper. Wherever there is a pervasive sense of community, a paper that serves the special information needs of that community will remain indispensable ... papers delivering comprehensive and reliable information to tightly bound communities and having a sensible internet strategy will remain viable for a long time." Community newspapers have the power to bring about great good and make a profound difference within their communities. And among the good ones, the ones who endure and even prosper, there is always to be found one common denominator - trust. In a small town, the local newspaper is not like the local hardware or grocery store. It simply isn't. In a small town, every newspaper reader thinks he or she is a stockholder, because there exists a real relationship, an implied contract, if you will, between the paper and its readers. They receive your newspaper, advertise in your newspaper, sometimes even when they don't have to, based on a simple precept: They trust you to do your very best to find the truth and to tell it to them.

And that's our mission at the Journal: To find the truth and tell it to you one story at a time.
