NOTE FROM THE CHAMBER

Brandon Kathman,
Lead Engine Sales & Marketing

The Brandon Valley Area Chamber of Commerce is excited to roll out our fourth issue of INSIDE BRANDON! The support we've received from the community and members has been wonderful. In our newest issue, we highlight our \$5.00 Challenge initiative. Geared towards buying local and building a better community, the challenge is simple: spend just \$5 more at Brandon businesses each week.

By supporting your local businesses and establishments you support Brandon community members in ways you may not have imagined. Money spent locally is reinvested into our economy by raising the overall economic activity, providing more employment opportunities and generating increased local tax revenue. The impacts are far-reaching, as Brandon business owners are also committed to making Brandon an even better place to live or work. Often you will see them giving back to the community through volunteer efforts or by contributing to local charities and fundraisers! Making a choice to shop local and spend just \$5 more per week in our community will allow these businesses the opportunity to have an even larger impact. Are you up for the challenge?

That’s essentially the purpose behind the community-sponsored broadcasts that air on Alliance Communications’ HD channel 226 or YouTube, which may be accessed on the Brandon Valley School District website, brandonvalley.k12.sd.us.

Made possible by Alliance Communications and supported by Brandon and Valley Springs businesses and organizations, all home Lynx boys and girls soccer, volleyball matches, football, boys’ and girls’ basketball games, Big Sioux Review and Cheer and Dance Lynx Invite can be seen from the comforts of your home.

Every game is announced by local personalities.

“...Lynx TV puts you there.”

Sponsors for the fourth season of Lynx TV are Taco Johns, Pizza Ranch, Bill Thompson -- State Farm Insurance, Sioux Valley Energy, First National Bank, Harry Buck -- Hegg Realtors, Oakland Homes, and the Brandon Community Foundation. Special Thanks to Alliance Communications, the Brandon Valley Journal and the Brandon Valley Area Chamber.

Brandon Valley School District

Core Operating Principal

Our business is the creation of learning environments that result in success.

Mission Statement

We will prepare our students to be life-long learners and productive citizens through a positive learning environment with the cooperation of students, educational staff, parents, guardians, and community.

We believe in the collaborative efforts of the students, educational staff, parents, guardians, and community for successful education.

We believe in the continual growth of knowledge, self-respect, life skills, citizenship, and global awareness to promote life-long learning.

We believe in providing a safe, nurturing, and stimulating environment, which promotes mutual respect and trust.

We believe the school has an obligation to prepare its students to compete globally.

We believe in the acceptance of and respect for the unique physical, social, emotional, and intellectual needs of all individuals.

We believe technological literacy is essential for success in a global society.

We believe it is the district's obligation to provide the foundation for all students to achieve their full potential.

BRANDON COMMUNITY FOUNDATION LOCAL IMPACT

The Brandon Community Foundation is an endowment fund with oversight by a local board of directors. We work hand-in-hand with nonprofit leaders, community organizers, government officials, and residents to pursue opportunities for improving lives and strengthening neighborhoods. Because of the generous support of our donors, the Brandon Community Foundation is able to provide grants that give back to touch lives of the people right here at home.

City of Brandon Core Area Reconstruction

Supporting the Long-Term Vision of the Neighborhood, While Building on Safer Travel Opportunities for Pedestrians and Motorists

The Core Area Reconstruction project is a proposed major improvements to one of the largest neighborhoods in the City of Brandon. Residents are well aware of the existing conditions of the pavement and the need to upgrade drainage and existing utilities. With multiple phases and approximately 70 residential blocks of resurfacing planned, the impact to the adjacent property owners, businesses, schools, and traveling public will be significant. The City is committed to and invested in improving the Core Area by supporting the long-term vision for this neighborhood.

Preliminary design will require a strategic look at:

- Phasing
- Funding
- Temporary and permanent easements
- Constructability
- Resident access
- Emergency services coordination
- School busing
- Mail delivery
- Garbage pick-up
- Construction staging

Step 1 on the Core Area Reconstruction Project:

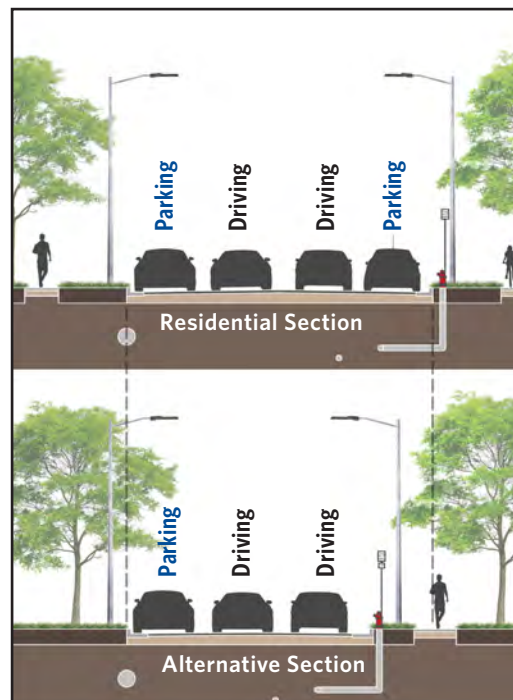

We value your input: Your family utilizes the project area, or you may live in the project area. We know it is imperative to have your input on all phases of the project, but particularly on the reconstruction and safety portions. Contact cards were mailed to landowners in July to make sure we keep in touch, but we are looking for in-depth feedback from affected area members. *Contact cards are available at City Hall.*

The first public meeting will take place at the end of September or early October, 2019. Location and time TBD, but it will be advertised in local media, via Textedly, and online.

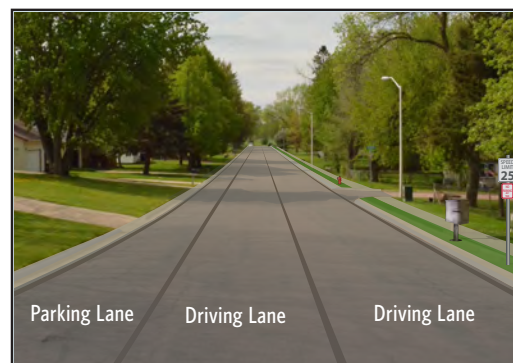

Prior to the public meeting, please take the time to visit the (Brandon website) for additional project information. Your input from the beginning will help us tailor our plan to best fit Brandon's citizens' needs right from the start.

Side bar: Safety is paramount.

Safety during construction, safer travel opportunities after the project is complete. Creating and improving walkability of the Core Area Neighborhood will improve safety and access to destination sites, including the three schools in this neighborhood. The project will also evaluate traffic safety, regarding sight angles, potential for new signage, roadway geometrics, and street lighting opportunities.

Exploring ideas that reduce impact to adjacent property owners allows walkability in a footprint similar to the current typical residential street width.

Saving resources with a narrower street section with parking on one side provides designated area for gang mailboxes, fire hydrants, street signs, and sidewalk.

Core Area Reconstruction

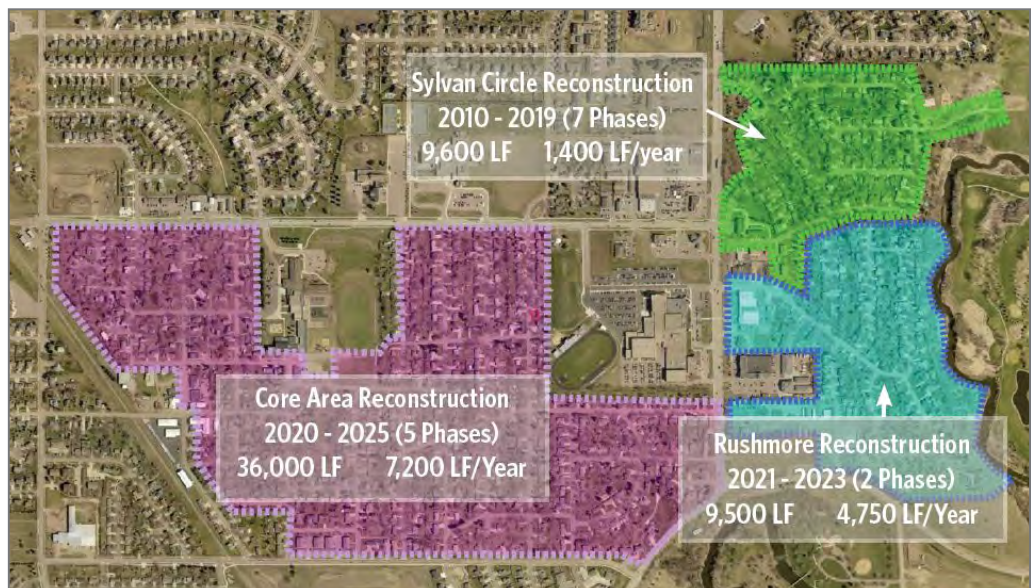

If you live, work, or are in the project area regularly, we encourage you to visit the City's website for more project information.

Words from the Experts

written by
Tami Jansma,
City of Brandon
Engineer

Some big plans are in the City of Brandon's near future. As we grow, planning becomes a crucial aspect for our town. Planning isn't just a tool for balancing the needs of the town with the budget, it drives and shapes the vision of our town. Having a Capital Improvement Plan (CIP) is key to the town's success. A CIP looks at the City as a whole, with the goal to have a detailed 5-year plan, a good idea of what we need in the next 10 years, and what our goals are for Brandon in the next 20 years. Here is a current list of the upcoming and existing plans from the City.

Starting in 2019, the Metropolitan Planning Organization (MPO) will be working on completing a Long-Term Transportation Plan. This will study how the surrounding communities work together to make sure we have good connections in and around Brandon. Next year, the City of Brandon will be working through our own Transportation plan which will not only layout new streets but will also put together a working street maintenance plan for our existing streets.

In 2020, the City will work

with a consulting firm to layout a master plan of what sidewalks and bike trails are needed and how we will phase the construction of these. Our goal is to have safe routes for our children to bike and walk to school along with good connectivity throughout the City. Connectivity is a challenge on the East and West sides of town as there is no sidewalk to connect these areas to the core part of town.

An important aspect to think about with planning is how our utilities such as water, sewer, and stormwater affect the transportation plans. Being able to coordinate utilities with street construction is crucial, as most of them exist under our roads.

Another challenge that we face in the near future is Municipal Separate Storm Sewer System (MS4) permitting. Once a municipality reaches a population of 10,000, the Environmental Protection Agency (EPA) requires permitting of water quality of storm-water entering rivers and streams. This will ensure that we are doing our part to avoid polluting the Big Sioux River and Splitrock Creek. The City has already made progressive steps and taken action with looking at different Xeriscaping ideas and Low Impact Development (LID).

As we move forward with these and other projects, we encourage you to reach out with questions or concerns. We are making these changes to improve quality of life in our city, and public feedback is important to us. Please be patient with us and the construction as we bring you a better Brandon.

Shop Small Saturday

The Brandon Valley Area Chamber of Commerce has been a neighborhood champion for Brandon, SD every year since 2014. Neighborhood champions rally small businesses to participate on Small Business Saturday. This year, small business Saturday is on November 23. Founded by American Express in 2010, this nationwide movement helps bring attention to the importance of supporting small businesses in communities across America.

The story of Small Business Saturday

Source: <https://www.americanexpress.com/us/small-business/shop-small/about?linknav=us-open-shops-small-home-nationallanding-sbshistory>

THE FOUNDER

It's 2010, and small businesses are hurting from an economy in recession. In an effort to support these local places that make our communities strong, American Express launches Small Business Saturday on the Saturday after Thanksgiving — hoping to help bring more holiday shopping to small businesses.

THE STATES

Just one year after the launch, local officials across the nation take notice and promote the day. In 2011, the Senate unanimously passes a resolution in support of Small Business Saturday. By 2012, officials in all 50 states participate. It even gets a shout-out from the President of the United States.

THE SUPPORTERS

In 2013, more than 1,450 individuals and organizations sign up to be Neighborhood Champions and rally their communities with events and activities on the day.

By 2017, that number has increased to more than 7,200 Neighborhood Champions — in all 50 states. And they're not alone. Business associations, nonprofit trade groups, municipalities and public officials unite to form a Small Business Saturday Coalition, and nearly 100 corporations lend their official support.

THE OWNERS

Small business owners embrace the day; the impact is felt on every corner. In 2017, an estimated 108 million consumers reported shopping or dining at local independently-owned businesses on Small Business Saturday — equating to roughly 43% of Americans.¹

¹The statistic cited is an estimate based on projections from a nationally representative sample of adult consumers as reported in the post-2017 Small Business Saturday Consumer Insights Survey commissioned by American Express and the National Federation of Independent Businesses. The Survey gathered self-reported data and does not reflect actual receipts or sales.

THE SHOPPERS

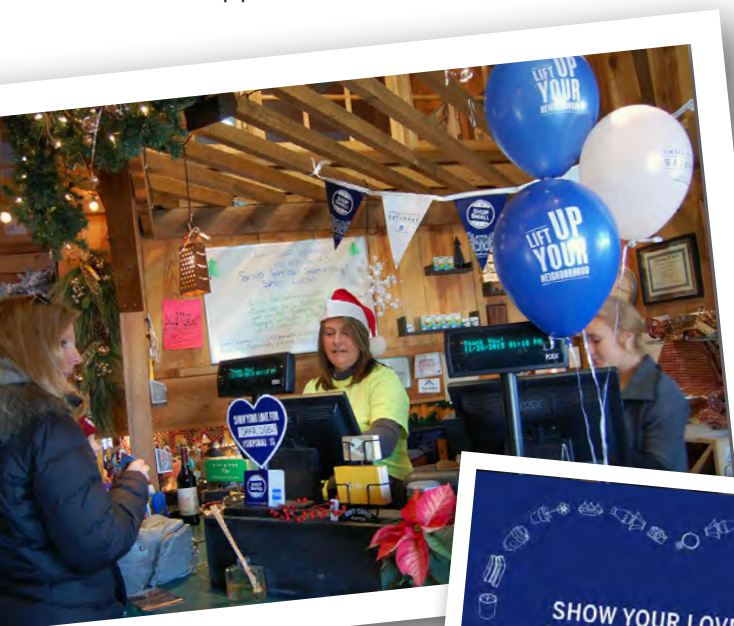

As it catches on in neighborhoods everywhere, Small Business Saturday goes from a cause to a day of community celebration. In 2017, 90% of consumers surveyed said Small Business Saturday has had a positive impact on their community.²

²The statistic cited was based on an online study conducted among a nationally representative sample of adult consumers as reported in the pre-2017 Small Business Saturday Consumer Insights Survey commissioned by American Express and the National Federation of Independent Businesses. The Survey gathered self-reported data and does not reflect actual receipts or sales.

THE COMMUNITY

Today, the idea that started with one company in 2010 has evolved into a holiday shopping tradition and nationwide movement driven by millions of individuals. And it continues to grow.

American Express is proud to support a day and a movement that truly belong to the communities who make it possible — the organizations, local officials, Neighborhood Champions, Corporate Supporters, small business owners, and shoppers who come together to celebrate their favorite places each year on Small Business Saturday.

WINTER

**Rules and Regulations in the
Brandon Community during winter.**

DISPOSAL OF SNOW FROM SIDEWALKS

The owner or occupant of any lot or parcel of land in the City abutting on any sidewalk is responsible to keep the sidewalk free from snow within forty-eight (48) hours after the termination of any snowfall or accumulation. Removal of accumulated snow may not be deposited upon any sidewalk, within or upon any public street or alley, or in any manner that will obstruct or interfere with the passage or vision of vehicle or pedestrian traffic.

If the owner or person in charge fails to remove the snow within forty-eight (48) hours of the snowfall, the City will remove the snow and charge the costs to the adjacent property.

DISPOSAL OF SNOW FROM DRIVEWAYS AND PARKING AREAS

The owner or occupant of any public or private driveway, parking lot or parking area is responsible for the removal of

accumulated snow of which may not be deposited upon any sidewalk, within or upon any public street or alley, or in any manner that will obstruct or interfere with the passage or vision of vehicle or pedestrian traffic.

DISPOSAL OF SNOW FROM AROUND MAILBOXES

It is the responsibility of the property owner or occupant in possession of any mailbox located upon a driveway, parking lot or public right-of-way to remove and dispose of accumulated snow from the immediate area around the mailbox so as not to obstruct or interfere with the delivery or collection of the United States mail.

DECLARATION OF SNOW REMOVAL ALERT

A snow alert will occur automatically with the accumulation of three (3) inches of snow on the public streets or when the person designated determines that

snow removal from the public streets will begin. That person will announce through local news media and whatever other sources are available that a snow removal alert is in effect and will be enforced, designating a particular date and time when the alert will begin.

PARKING DURING SNOW REMOVAL ALERT IN ALL AREAS OF THE CITY

Parking on any public street of the City will be completely prohibited, on both sides and regardless of the directional run of that street, during the existence of a snow removal alert.

Visit CityofBrandon.org for the full SNOW REMOVAL Ordinance. City Ordinances: Ordinance Book: Title 10 – Sidewalks, Roads, Alleys and Public Grounds: Chapter 10-2 Snow Removal

Auction Amore

Join us for an evening of hors d'oeuvres, spirits and an entertaining auction experience! The Brandon Valley Area Chamber of Commerce is holding the 8th Annual Auction Amore on Friday, February 7th just in time for Valentine's Day. This is a great way to get out of the house, have a date night with your significant other, or just a fun night out with friends. Ten percent of net proceeds from this event go towards scholarships to Brandon Valley High School Seniors. Last year's event made it possible for the Chamber to award three \$500 scholarships to some very deserving applicants.

This event caters to all with auction items ranging from \$40 game tickets to vacation packages valued over \$1,000! We have items for couples, golfers, music enthusiasts, wine lovers and much more. There will be a silent and live auction with over 50 items to bid on. Did we mention there will be free wine for the early birds from 5:30-6pm? Tickets are just \$20 and can be purchased in 2020 online at BrandonValleyChamber.com or at the Brandon Valley Area Chamber of Commerce office Monday-Friday 8am-5pm. Space is limited as there are only 300 tickets available.

WINE PULL

30 bottles of wine are packaged and ready for purchase, making every participant a winner! One lucky person will hold the winning bottle giving them the option of the grand prize Riddle's Jewelry necklace or bracelet on display.

TRUMP CARD

In true TRUMP style, we are shaking things up with this new spin on our silent auction. Purchase a card from the deck for a chance to steal a silent auction item of your choosing!

For more information on this event, please check out our website in the new year at www.brandonvalleychamber.com. We hope you will join us for an evening of food, fun and excitement!

HEADS & TAILS

Ever played heads or tails auction style? For \$10, you can have the chance to win \$250 cash by entering the Heads & Tails Contest. Right before the Live Auction, our auctioneer flips the coin and you predict if the coin toss is Heads or Tails by placing your hands on your head or hands on your tail. Whatever the coin says is who remains playing. The winner is the last person standing!

DRINKS FOR DIAMONDS

Cheers to an old favorite game with a new twist! Instead of a gift box, what better way to get a chance at a grand prize item from the Diamond Room than to receive a drink ticket just for entering! Only 100 tickets will be sold so get yours before they're gone! One lucky winner will hold the ticket to choose one of the three items on display. \$10 per person, valued over \$300.
