FROM THE **CHAMBER BOARD**

Harry Buck, Board Member of BV Commerce
Brandon Valley Area Chamber of Commerce

Greetings from the Chamber Board of Directors. I am new to the board but served on this board 10 years ago. When asked if I would be willing to serve on the Board again it was easy for me to say yes. I believe in the Chamber because we are dedicated to help make Brandon and Valley Springs an even better place to live. In this issue of Inside Brandon Magazine, you will get updates from the City leaders and details on upcoming events.

One of our goals at the chamber is to help our businesses be successful, because if our businesses are successful it will make all things better for all of us. Remember that when you shop in Brandon or Valley Springs, your sales tax stays here. I often tell people to not complain about our potholes when heading someplace else to shop. Stay informed by following us on Facebook or twitter and visit our web site on a regular bases.

SUMMER REC CLOSED JULY 2ND - 5TH

LOCATED AT BRANDON ELEMENTARY

REGISTRATION IS REQUIRED FOR FIELD TRIPS.
Registration is on-line at www.cityofbrandon.maxgalaxy.net/BrowseActivities.aspx.

SUMMER REC

Entrance will be the North Entrance to the tile gym at Brandon Elementary. Use the west (bus) parking lot by the small fenced playground. Follow the sidewalk to where the buildings meet. Enter through the north red door.

Please use the same website as registering your family for swimming lessons and pool passes. Please login to your existing account or, if you don't already have one, create an account at: www.cityofbrandon.maxgalaxy.net/Home.aspx

Contact: Summer Rec - 582-3460 (after June 8th)
Summer Rec Director - Barb Sperlich at
City Hall 582-6515

By registering online you give permission for field trips. Registration online is not the same as signing up for a particular field trip. Sign up for field trips will still be at the gym, with payment required to hold the spot. (One check per activity is preferred.) Registration is still recommended for your child to participate in gym activities, however, anyone attending a Field Trip must pre-register online.

ARTS, CRAFTS & PLAYGROUND PROGRAM

We will have a supervised program of crafts and indoor and outdoor games. Also many other special events will be held at the Brandon Elementary gyms and playground. These activities are open to children of all ages. A few of the activities available include: ping pong tables, air hockey, foosball table, painting, coloring, board games, and many other craft and game activities. Outdoor events include kickball, dodgeball, and sidewalk chalk. Plus more! There will be a supply charge on some crafts.

All activities are open to persons with disabilities. We encourage all children to actively engage and participate in age-appropriate activities during the summer. The recreation dept. will provide accessibility assistance to make physical and social integration successful.

SAFETY TOWN COMES TO BRANDON!

The “town” of Brandon will be painted on the blacktop. Modeled like the above photo, taken for the City of Brookings Safety Town. We are excited to announce the children in the Brandon area will have the opportunity to participate in Safety Town!

Safety Town is a two week safety program that will be offered for the first time in Brandon this summer. Children ages five and six years old, will learn safety behavior through hands on learning activities, under the supervision of a Brandon Police Officer and a teacher.

Our hope is that the safety skills and procedures children learn at Safety Town will stay with them through their lifetime. Our goal is for Safety Town graduates to grow up to be a safe and responsible members in their communities.

This program would not be possible if it were not for the help and cooperation of the Brandon Police Department, City of Brandon, Brandon Valley School District, the Brandon Valley Optimist Club and our many sponsors.

CITY FINANCES PROPERTY TAX & SALES TAX

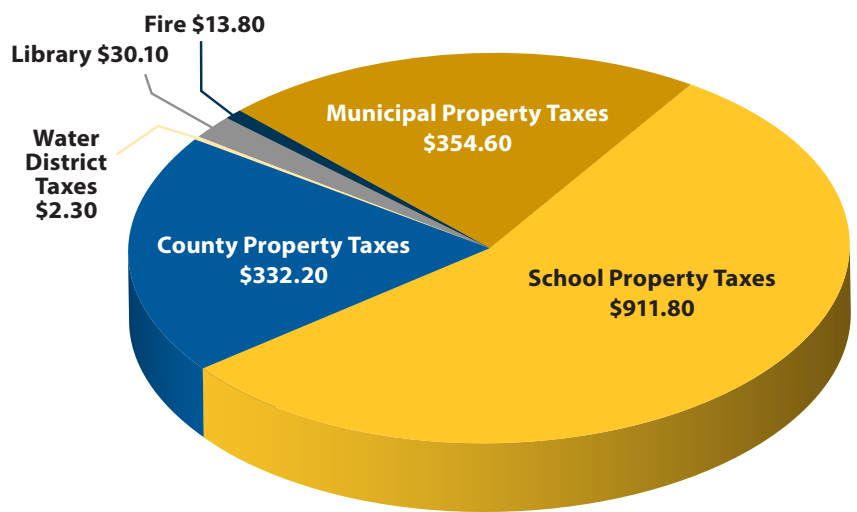

PROPERTY TAXES (OWNER OCCUPIED ONLY)

Property tax is one source of revenue that supports the day to day operations of your City. The Minnehaha County Auditor's Office collects all property taxes and then distributes the taxes to the appropriate entity. The City receives about 21.5% of an owner-occupied residential property tax bill. Property tax revenue is a general fund revenue supporting police, fire, streets, snow removal, parks, pool and more. Property tax is one of the major sources of revenue for any City and without this we could not run your City. A worksheet to figure your taxes is available at www.cityofbrandon.org/taxes. *Please note this does not provide opt outs, Special Assessments or Frontage amounts if applicable.

2020 Taxes Payable in 2021

Municipal Levy	3.546	21.56%
School Levy	9.118	55.44%
County Levy	3.322	20.20%
Water District Levy	0.023	0.14%
Library Levy	0.301	1.83%
Fire Levy	0.138	0.84%

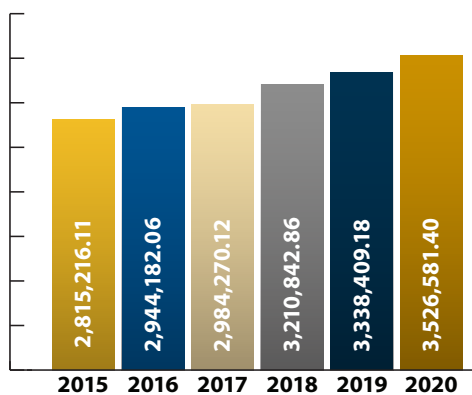

100,000 Taxable Value for Payable 2021

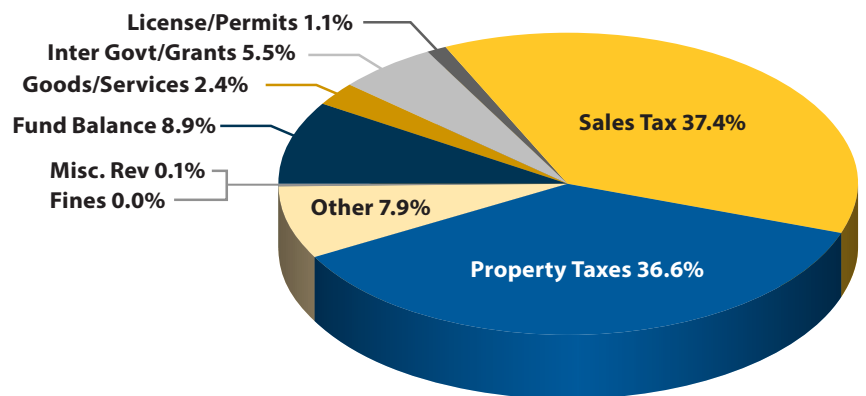

SALES TAX

Sales tax is important to the City and another major source of revenue. This revenue source is not quite as consistent or predictable as property taxes. Sales tax changes with the economy. With every dollar you spend, two cents goes to the City's General Fund. Sales tax revenue is a key component in being able to improve your city. Sales tax pays for debt, projects and equipment in the General Fund.

THE BIG 3

Nutritional Education on Macronutrients Carbohydrates, Protein, Fats.

By Kaleb & Haley Lindsey-Stevens

With all of the dieting options in society today, many people find themselves lost and/or bouncing from diet to diet. Trying to keep up with the newest “fad” diet can be exhausting and more often than not they are unsustainable, lead to more weight fluctuation, less results, and just exhausting to keep up with.

This is evidenced by the increase in the health and obesity epidemic we see in the United States. In 2020 70% of the US was overweight. The alarming and more concerning number is that 30% of that population was classified as obese. Obesity has a direct correlation to many of the leading causes of death such as heart disease and diabetes being two of those major causes. Statistics show that these numbers are going to continue climbing based on lack of nutrition education, fast convenient choices being more un-healthy, and lack of access to quality food sources.

Therefore, a change in the understanding of the big 3 macronutrients can have a major impact on a person's ability to make smarter food choices, understand the importance of quality nutrition vs. “meat & potatoes” and/or “real food”, and the health and obesity epidemic. The Big 3 are protein, carbs, and fats. It is important to understand how your body works so you can give it the nutrition it needs. Incorporating The Big 3 into every meal of the day is important for balanced nutrition and giving your body what it needs to stay energized.

PROTEIN:

We love it for two main reasons. It helps build muscle and curb your appetite. Your muscles are what fuel your metabolism. Your metabolism is what burns calories and energizes your body. Protein is the “building block” that helps you repair your muscle. Meals rich in protein are especially useful because they help you feel fuller, longer.

CARBOHYDRATES:

Carbs are NOT your enemy! They're actually one of the most misunderstood parts of The Big 3. Your carb intake should be personalized to you. However, a general rule of thumb is a 40/30/30 split among carbs, protein, and fats. Don't be afraid of carbs, just remember which ones are better for you. i.e. whole fruits, vegetables, beans, whole grains.

FATS:

Like carbs there are beneficial fats and fats you don't need. Your body needs beneficial fats because they have essential fatty acids that your body can't make, so you have to eat them or take them in a supplement. Beneficial fats come from fatty fish such as salmon, olive oil and olives, nuts and nut butters. Also, there are some vitamins you need that are fat-soluble (vitamins A, D, E, and K), which means they can only be absorbed into your body with some fats. So it is okay to add a little fat to your meals, but make sure the overall nutritional value of your diet is balanced.

SECOND

SUPPORT SATURDAY BRANDON

The event logo, designed by Caliber Creative, has special meaning.

"The infinity symbol was created to be a noticeable mark of the Second Saturday event that will be repeating the second Saturday of each month throughout the year. Not only does the mark represent the ongoing event but also holds the shape of the c & o in second as well as looks like a hanger shape which represents what Second Saturday is all about - shopping local and supporting the Brandon Valley community."

Every Second Saturday you can find deals, events and specials from Chamber member businesses all over town. We're always updating our list of deals at brandonvalleychamber.com/second-saturdays.

BRANDON LAWN WATERING PROGRAM

STAGE 1

- Green Designation - Watering is permitted only between the hours of 6:00 p.m. to 10:00 a.m., with consumers having even numbered addresses watering on even numbered calendar dates and consumers with odd numbered addresses watering on odd numbered calendar dates.

*** NO WATERING BETWEEN THE HOURS OF
10AM - 6PM**

STAGE 2

- Yellow Designation – Watering is permitted only between the hours of 6:00 p.m. to 10:00 a.m., and on the address basis as follows: Consumers having an address that ends:

- In 0 or 1 on Mondays
- In 2 or 3 on Tuesdays
- In 4 or 5 on Wednesdays
- In 6 or 7 on Thursdays
- In 8 or 9 on Fridays

**NO WATERING BETWEEN THE HOURS
OF 10AM - 6PM**

A Yellow Designation is automatically in effect if the water treatment plant produces 1.6 million gallons of water per day for 3 consecutive days or if production reaches 2 million gallons for a single day. After a Yellow Designation is in effect, if water production is less than 1.6 million gallons per day for 10 consecutive days, then the designation shall change back to Green.

STAGE 3

- Red Designation – No watering of yards is permitted; watering of trees, shrubs, vegetables and flowers is only permitted between the hours of 6:00 p.m. to 10:00 a.m. Red Designation is automatically in effect when after a Yellow Designation, the water treatment plant produces 1.6 million gallons per day for an additional 7 consecutive days or if production reaches 2 million gallons for a single day. After a Red Designation is in effect, if water production is less than 1.6 million gallons per day for 10 consecutive days then the designation shall change back to Yellow. However, if the Red Designation is in effect for two times in a calendar year, then it shall stay in effect until September 15 of that year at which time it shall change to Green.

For purposes of the tiered system, the term “watering” is defined to mean distribution of water directly through an irrigation system, sprinkler system, hose or pipe and not a can, bucket or pail.

ORDINANCES

CITY ORDINANCES HELP KEEP THE PUBLIC SAFE AND STRUCTURED. IF YOU WOULD LIKE TO SEE MORE ORDINANCES PLEASE VISIT WWW.CITYOFBRANDON.ORG.

LICENSING OF ANIMALS

All cats and dogs kept, harbored or maintained, in the City of Brandon shall be licensed and registered if over six months of age. Animal licenses shall be issued by the Finance Officer or Pet Service provider authorized by the City Finance Officer upon payment of a fee in an amount to be established by resolution of the City Council. The owner shall state at the time application is made for such license and upon such forms as the Finance Officer may provide for such purpose the owner's name and address, and the name, breed, color and sex of each animal owned or kept by the owner, and present to the Finance Officer directly or through the Pet Service provider a record by a licensed veterinarian that the animal has been vaccinated for rabies as provided hereafter. Violation of this ordinance is punishable by a fine or by imprisonment, or both, as established in 1-1-6 of the Brandon Municipal Code.

3-2-4 CITY ANIMAL TAGS

Upon payment of the license fee, as set by resolution of the City Council, the Finance Officer shall issue to the owner a tag for each animal so licensed. Every owner shall be required to provide each animal with a collar to which the license tag must be affixed, and shall see that the collar and tag are constantly worn. Animal tags shall not be transferrable from one animal to another and no refunds shall be made on any animal license fee because of death of the animal or the owner's leaving the City before expiration of the license period.

Violation of this ordinance is punishable by a fine or by imprisonment, or both, as established in 1-10-1 of the Brandon Municipal Code.

3-2-9 ANIMALS RUNNING AT LARGE (LEASH LAW)

It shall be unlawful for any person, firm or corporation, to allow any animal, owned, controlled or harbored by any person to run at large on the streets, alleys, or property of any other person within the City limits of Brandon, South Dakota. Any person having an animal within the City limits may allow it to roam but shall have it tied, leashed, or fenced upon their

property. It shall be unlawful for any person to allow an animal off the premises without the animal being held in leash. Any animal riding in a motor vehicle is considered to be on the owner's property. Violation of this ordinance is punishable by a fine or by imprisonment, or both, as established in 1-10-1 of the Brandon Municipal Code. Any person, firm, or corporation having permanent or temporary control of any animal within the City limits and located upon the animal owner's private property, or upon any other private property, or upon any public property, or in or upon a motorized or unmotorized vehicle of any kind, shall at all times:

- A. Have the animal tied to a stake, post or tree of a size sufficient to restrict the animal; or
- B. Have the animal leashed and the leash under the control of a person who is physically large enough to control the animal; or
- C. Have the animal contained by a visible or invisible fence. The presence of functional invisible fencing on private property shall be made known by prominent placement of a sign indicating such fencing is present, which sign shall be readily visible to passers-by. Failure to post notice of the presence of invisible fencing shall constitute acknowledgment that no such fence is present and mere failure to post the notice shall not be a defense to any action brought by the City of violation of this ordinance.

3-2-26 NUMBER OF PETS LIMITED

It is unlawful for any person to have or to keep more than a total of three (3) dogs, cats, pot-bellied pigs, turtles or rabbits over the age of six (6) months, on any lot or premises in the City, unless such person residing on or in the lot or premises has a valid kennel license issued by the City. The City humane society, veterinarian officers and retail pet stores are exempt from the provisions of this section. Those domestic pets that are licensed by the City as of May 1, 1993 are exempt.

OPEN BURNING

The following types of open burning are permitted when no Minnehaha County burn ban is in effect.

Only charcoal and untreated, unpainted, clean, dry wood and manufactured fire logs less than two feet in length may be burned.

The fire must not be on a wood or wood composite surface and must be contained in a pit, ring or manufactured fire pit or chimenea, or outdoor fireplace not exceeding three feet in diameter and two feet in height.

Fire pits and rings must be located at least 15 feet away from structures and combustible materials. They also must be no more than 18 inches in depth from ground level, must be at least 6 feet away from adjoining property lines, and must have an appropriate screen or cover in place.

Manufactured freestanding fire pits and chimenea must be located at least 15 feet away from structures and combustible materials. They must also be at least 6 feet away from adjoining property lines, and must have an appropriate screen or cover in place.

All recreational fires must be supervised by at least one person over 18 years of age until the fire has been completely extinguished. A garden hose connected to a water supply or fire extinguishing equipment or materials must be readily available.

The use of flammable or combustible liquids is not permitted.

Police and fire officials are authorized to require that a recreational fire be immediately extinguished if it is determined through investigation that the fire is not in compliance with the above rules, the smoke becomes a nuisance or is offensive to neighbors, or the burning is determined to constitute a hazardous condition.

Any Open Burning, other than that listed above shall not be permitted unless prior, written authorization has been granted by the Brandon Volunteer Fire Department Fire Chief.

FIREWORKS

"Fireworks" does not include items known commonly as "sparklers", snakes, snaps and smoke balls.

USE & DISCHARGE OF FIREWORKS

Except as otherwise provided through a City permit, fireworks may only be discharged on July 3rd from 7 p.m. to 11 p.m. and July 4 from 10 a.m. to 11 p.m. so long as:

No firework shall be fired off in or from any public roadway, public property, or park within the City of Brandon.

No firework shall be discharge by any minor (under the age of 18) outside the supervision of a responsible adult.

No firework shall be discharged in any reckless fashion that creates a substantial risk of death or serious physical injury to another or damage to property of another.

All firework debris shall be collected from the yards, sidewalks, and properly disposed of no later than 9:00 a.m. the morning following the discharge.

EMERGENCY BAN BY THE CITY COUNCIL

The use or discharge of all fireworks may be banned by resolution of the City Council because of dry climatic conditions or other such emergencies.

PUBLIC DISPLAY PERMITS

The City Council may, upon application, issue a fireworks permit to individuals, groups or organizations for organized, public fireworks displays. The permit may be for any date of the year upon such terms and conditions as established by the City Council.

WHY AN EXTRA \$5 MATTERS.

Brandon Resident

Lou's life drastically changed when she was hit by a drunk driver in May 2019. It was the driver's 2nd drunk driving offense and one that nearly cost Lou her life. Due to the injuries she sustained Lou can no longer drive. Lou shared with us that she uses the Brandon Transit Bus for everything. The bus takes her to her therapy, doctor and chiropractic appointments. They have even given her transportation to funerals. She states "we have everything we need in Brandon and I really love that we have this service." She continued on to say that the bus drivers have all been so good to her and they are so good to fit her in. Lou feels the Brandon Transit Bus has been such a blessing to her because it allows her the ability to get out and about and she feels really lucky to be able to do that!

- A testimonial from Lou Narum

Brandon Resident

Emily's parents commute to Sioux Falls for work so she relies on the Brandon Transit Bus to get her to work at El Tapatio. Her Mom explained the transit bus service is so convenient because the bus picks Emily up and drops her off right at their home. Emily shared she loves to talk to her bus drivers about her favorite sports teams the Twins and the Vikings. She also said her favorite thing about riding the bus is talking to the other people who ride the bus with her.

- A testimonial from Emily Gross

Blessed Redeemer

Blessed Redeemer Lutheran Preschool is honored to be working with the Brandon City Transit. Together, we offer an opportunity to provide transportation services to the parents in the Brandon community which allows their children to attend our 2.5-hour program. We are capable of serving 80 students in our current schedule and 96 when offering an additional class. We typically have over 50% of our students using this service. Parents have expressed their appreciation, as many preschoolers would not be able to attend our educational program without this transportation. Our preschoolers use this service for numerous reasons, such as they attend in-home daycare or daycare centers, they have smaller siblings, so parents have occupied schedules with naps or convenience, parents working from home and unable to leave for drop off/pick up. Our current teachers have 53%, 38% and 42% of their preschoolers who utilize this service. This is 28/63 (44.4%) students overall. We are blessed to be working with such committed individuals, who we rely on to provide a beginning educational journey for the young children in the Brandon community. We are thankful for the relationships the drivers build with the children. They truly care about our students and provide a safe and secure environment. They go above and beyond, as they even attend our Christmas programs and Graduation ceremonies, showing their love and their investment in these children.

- A testimonial written by Michelle Ternus, Blessed Redeemer Lutheran Preschool Director

Prairie Rehabilitation

For our patients and our therapists, the Brandon City Transit is invaluable to Prairie Rehab. Over the years we have had many patients benefit from the transit's services.

The scheduling office is very helpful and accommodating to the patients as well as our clinic. Gwen is great about communicating with us and helps our front desk coordinate times for appointments. The drivers are outstanding! Todd, Darryl, Denny and Eileen assist the patients when they enter and exit the bus and walk with them to the building. They are kind and cheerful and a pleasure to visit with when they drop off the patients. They care about the people they transport and it shows!

When the patients arrive they are so grateful and pleased with the services provided by the transit drivers. The drivers are always on time and willing to take people to multiple places, including the grocery store, to hair appointments, to church and to have coffee with friends! If not for the Brandon Transit, some people who want and need to get out into the community would not be able to. This service is vital to the emotional and physical well-being of the residents of Brandon!

Prairie Rehab is very grateful for the wonderful services provided by the Brandon Transit and we are lucky to have this amenity in this community.

- A testimonial written by Michelle Albrecht, PT Prairie Rehabilitation

Brandon Resident

Colleen has been using the bus every week since Covid-19 started. Some people have family to do shopping for them, but others don't have anyone nearby and don't drive. Colleen has a car, but it's much more convenient to ride the bus with other residents to Sunshine every week. The 2 drivers are very helpful; they make sure we're safe and sound. The lift on the bus makes it easy for those who use walkers to get in the bus. The drivers help stow the walkers before the trip. The drivers always make sure everyone is back on the bus before they leave Sunshine.

- A testimonial from Colleen Dathner

Helping Hand Assisted Living

At Helping Hand Assisted Living, we utilize the Brandon Transit in multiple ways. Many of our residents do not have cars or family local. They use Brandon Transit service to get to their appointments, lab draws and immunizations. This takes the burden off of family to take time off of their work schedule to take residents to these in town visits. Many residents use it for medical appointments, chiropractor, dental and vision appointments. In turn, this is to support the local community in these services. Residents are also able to use the Brandon Transit to get to the Library, grocery store, gas stations, and restaurants. They also utilize it for shopping to the stores that are located in the community to be able to shop local. This is beneficial to all our residents including those with disabilities or limited capabilities. They can take residents with wheelchairs and walkers as well. Staff at Brandon transit is very caring and understanding. They try to make any arrangement for residents to be able to get out into the community. When we admit a new resident to our facility, and they are notified of this transportation they are very appreciative and enjoy this option to be independent. Independence is very important with this population and not feel excluded from society.

- A testimonial written by Christina McElwain, RN Administrator at Helping Hand Assisted Living

We have your Energy Solutions

Call us at 1-800-234-1960 to learn more!

Charge Up with our electric vehicle program

SVE's special rate programs make owning an electric vehicle (EV) a smart transportation choice. Charge up conveniently at your home with clean, American-made electricity. We offer two off-peak charging rate options as well as rebates for the Level 2 charger equipment purchase and installation costs. Plus, if you're building a new home, we have a \$100 rebate for a home that is wired EV-ready (240-volt, 40-amp or larger circuit for future Level 2 charger installation.)

Get into Hot Water

Purchase the last water heater you will ever need to buy for your home! Lifetime tank/six-year parts warranty for original purchaser (some restrictions apply). Pick up your water heater at our Brandon service center for \$400 plus applicable tax with participation in the load management program. (Some restrictions apply. Be sure to call ahead to order your unit and before picking it up.) SVE provides warranty and repair services.

Heat Up and Cool Down

Heating and cooling use the largest chunk of your home energy dollars. Heat pumps – geothermal or air-to-air systems including mini-split ductless solutions – are designed to be used in any home whether it's new construction, a renovation project or replacing existing equipment. Sioux Valley Energy offers rebates of \$600 for air-source heat pumps with non-electric backup and \$1,200 for all-electric or geothermal heat pumps. Additionally, a special electric heat rate makes choosing electric a great value!

Be Prepared with a Kohler generator

Sioux Valley Energy is now offering generator services to give you peace of mind for Mother Nature's temperament. An interlock kit with generator inlet box can be installed for less than \$500 for most applications. SVE's Kohler stand-by generators come in a range of sizes from 10 kW to 20 kW and include heater kit and 3-inch concrete pad. Gas installation/hook-up not included. Contact SVE for an estimate.

Take Control

The Time of Use Rate (TOU) was developed for members who are seeking opportunities to directly impact their electric bill through their conservation efforts and daily usage habits. It's also a great way to take advantage of smart home automation and electric vehicle technology. Rearranging tasks and conserving energy to take advantage of reduced off-peak rates is good for both the member and the utility – we both save money! Contact the Billing Department to sign up for a three-month risk-free trial period. Use **SmartHub** to manage and review your usage. We also offer a smart thermostat \$50 rebate in conjunction with SVE's Time of Use Rate.

Visit us online or call us to learn more about our programs and services at 1-800-234-1960!
