## From the **Chamber Board**

**Bob Logan, BVACC Board Chair**

I have the honor to lead the Brandon Valley Area Chamber of Commerce for 2022! I hope you will find this issue of Inside Brandon Magazine helpful in many ways.

My favorite seasons of the year are spring and summer. I pray that our Covid years are over and we can get back to a normal and fun filled spring and summer!!

I would like to thank all of the Chamber members and merchants we have in our great communities of Brandon and Valley Springs. You provide us with great customer selection and service! We look forward to even more businesses coming in 2022. In 2021 we set a new sales tax record for the city of Brandon. Thank you for supporting the Buy Brandon Campaign (Building a Better Community). The impact has been...well, as my granddaughter Madelin would say, "Crazy good!"

I challenge our Chamber and community members to get involved in one of several committees here at the Chamber. Please call the Chamber office for more information. My wife, Wanda, and I moved to Brandon in April 1993. Over the past 29 years we have been blessed to make so many friends in Brandon and Valley Springs. For those who are new to our communities, you are raising your families or retiring in an incredible community!

*Bob Logan*

# CITY FINANCES PROPERTY TAX & SALES TAX

## PROPERTY TAXES (OWNER OCCUPIED ONLY)

Property tax is one source of revenue that supports the day to day operations of your City. The Minnehaha County Auditor's Office collects all property taxes and then distributes the taxes to the appropriate entity. The City receives about 21.5% of an owner-occupied residential property tax bill. Property tax revenue is a general fund revenue supporting police, fire, streets, snow removal, parks, pool and more. Property tax is one of the major sources of revenue for any City and without this we could not run your City. A worksheet to figure your taxes is available at [www.cityofbrandon.org/taxes](http://www.cityofbrandon.org/taxes). \*Please note this does not provide opt outs, Special Assessments or Frontage amounts if applicable.

### 2021 Taxes Payable in 2022

<b>Municipal Levy</b>	3.520	21.56%
<b>School Levy</b>	8.526	55.44%
<b>County Levy</b>	3.249	20.20%
<b>Water District Levy</b>	0.023	0.14%
<b>Library Levy</b>	0.299	1.83%
<b>Fire Levy</b>	0.137	0.84%

### 100,000 Taxable Value for Payable 2022

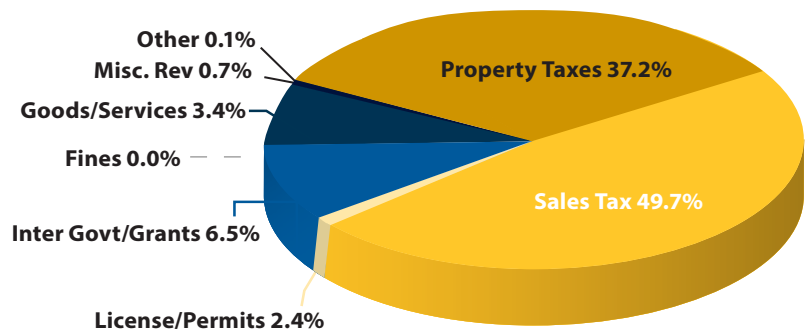

## SALES TAX

Sales tax is important to the City and another major source of revenue. This revenue source is not quite as consistent or predictable as property taxes. Sales tax changes with the economy. With every dollar you spend, two cents goes to the City's General Fund. Sales tax revenue is a key component in being able to improve your city. Sales tax pays for debt, projects and equipment in the General Fund.

# Words from the Experts:

## Helpful Tips to Start the Summer Smoothly

Now that spring is upon us, it is time to start thinking about the aftermath of winter and also look forward to summer.

The aftermath of winter we recommend checking your outside spigots for leaks and that the handles turn freely for ease of use to ensure they are in working order. You will want them in good working order when it is time wash the cars and water the flowers. In addition to checking your spigots, it is also a good time to check your water main for any leaks. In the event that there is a leak, we will coordinate with Brandon City water department for temporary water shut off so that we can make repairs as needed. It is also a good idea to know where your water shuts offs are at the main as well as in the kitchen, bathrooms and laundry room in case of a plumbing emergency you are knowledgeable to act quickly to turn water off to affected area. Visually inspect the water heater and pipes for any corrosion. Even though we had a mild winter, the spring rains could be on their way so with that being said we recommend you check to make sure your sump pump is in working order.

Summer, summer, summer you will want your air conditioner in top working order to keep cool on those hot, muggy days. Air conditioners do not need to be covered in the winter months but if you do cover yours be sure to uncover them before switching from heat to cool. Forgetting the cover on could damage the compressor which could result in a spendy repair. Keep the outside unit free of debris to ensure your air conditioner has the space and air flow to work properly. Start the new season off with a new furnace filter and check the batteries in your thermostat if it is a battery backup style.

Give us a call if you would like a spring hvac checkup or any other items on your plumbing and heating to do list.

We hope you have a great summer with your family and friends.

It shall be unlawful for any person, firm or corporation, to allow any animal, owned, controlled or harbored by any person to run at large on the streets, alleys,

or property of any other person within the City limits of Brandon, South Dakota. Any person having an animal within the City limits may allow it to roam but shall have it tied, leashed, or fenced upon their property. It shall be unlawful for any person to allow an animal off the premises without the animal being held in leash. Any animal riding in a motor vehicle is considered to be on the owner's property. Violation of this ordinance is punishable by a fine or by imprisonment, or both, as established in 1-10-1 of the Brandon Municipal Code. Any person, firm, or corporation having permanent or temporary control of any animal within the City limits and located upon the animal owner's private property, or upon any other private property, or upon any public property, or in or upon a motorized or unmotorized vehicle of any kind, shall at all times:

- A. Have the animal tied to a stake, post or tree of a size sufficient to restrict the animal; or
- B. Have the animal leashed and the leash under the control of a person who is physically large enough to control the animal; or
- C. Have the animal contained by a visible or invisible fence. The presence of functional invisible fencing on private property shall be made known by prominent placement of a sign indicating such fencing is present, which sign shall be readily visible to passers-by. Failure to post notice of the presence of invisible fencing shall constitute acknowledgment that no such fence is present and mere failure to post the notice shall not be a defense to any action brought by the City of violation of this ordinance.

It is unlawful for any person to have or to keep more than a total of three (3) dogs, cats, pot-bellied pigs, turtles or rabbits over the age of six (6) months, on any lot or premises in the City, unless such person residing on or in the lot or premises has a valid kennel license issued by the City. The fire must not be on a wood or wood composite surface and must be contained in a pit, ring or manufactured fire pit or chimenea, or outdoor fireplace not exceeding three feet in diameter and two feet in height.

Fire pits and rings must be located at least 15 feet away from structures and combustible materials. They also must be no more than 18 inches in depth from ground level, must be at least 6 feet away from adjoining property lines, and must have an appropriate screen or cover in place.

A garden hose connected to a water supply or fire extinguishing equipment or materials must be readily available.

The use of flammable or combustible liquids is not permitted.

Police and fire officials are authorized to require that a recreational fire be immediately extinguished if it is determined through investigation that the fire is not in compliance with the above rules, the smoke becomes a nuisance or is offensive to neighbors, or

Any Open Burning, other than that listed above shall not be permitted unless prior, written authorization has been granted by the Brandon Volunteer Fire Department Fire Chief.
