

On the Menu Spotlight

Be A Spotlight Business at an On the Menu Event!

Being a spotlight business is a great way to showcase your company as well as network with other Chamber members.

2023 On the Menu

Fourth Tuesday Each Month

Contact Rachael Neiman to sign up to present!

On the Menu is an event scheduled monthly that includes a lunch, networking activities and a featured speaker.

Your spotlight business speaking time is part of the networking portion, and each featured business representative is given 2 minutes to speak. Pitch a new service, a product special, or anything else you would like the Brandon community to know!
