REPRESENTATIVE JULIE CALLEY RECEIVES MICHIGAN ECONOMIC DEVELOPERS ASSOCIATION LEGISLATIVE ECONOMIC DEVELOPMENT CHAMPION AWARD

Lansing, Michigan – March 22, 2022 – State Representative Julie Calley (R-Portland) is recognized as a 2022 Legislative Economic Development Champion (LEDC) by the Michigan Economic Developers Association (MEDA). Her Legislative Aide and Constituent Relations Manager Zach Barton accepted the award on her behalf on March 3rd during the Association’s Capitol Day event at the Lansing Center in Lansing, Michigan.

MEDA is a professional society with members throughout the state that attract and grow business, create, and retain jobs, and make our communities a better place to live. The Awards were developed in 2020 by the Association to recognize legislators that show a passion for championing economic development work by assisting economic development efforts that affect the entire state, assisting with local economic development projects, championing support for funding related to economic development programs and services, participating with their local economic development organization, or sponsoring economic development legislation. Seven other legislators from Michigan’s House of Representatives and Senate were awarded in 2022.

Representative Calley’s nomination from MEDA’s Advocacy Committee came from her sponsorship of House Bill 5602 and 5603, both of which provided new tools that economic developers can use to attract and grow business and jobs in Michigan. These were a part of a package of bills that helped to create the Critical Industry Program (CIP) and the Strategic Site Readiness (SSRP) program as well as the fund that supports them, the Strategic Outreach and Attraction Reserve (SOAR) Fund, in the amount of \$1billion. These bills were welcomed by the economic development community in Michigan to help in the State’s continued recovery following the pandemic.

We look forward to Representative Calley’s continued leadership in championing economic development policy for Michigan.
