

Sponsorship Opportunities

A program of the Hillsborough-Orange
County Chamber of Commerce

Central Carolina Women in Business (CCWIB) provides meaningful connections and learning opportunities for women at any stage of their career. Events include quarterly lunch events featuring guest speakers and monthly evening socials. CCWIB also completes an annual community service project. In 2024, CCWIB will bring back the popular WE PITCH event, where women entrepreneurs will present their business ideas and compete for \$10,000 in funding. Through all its activities, CCWIB seeks to inspire, motivate and provide affirmation for professional women, while helping advance their career goals and visibility in the business community.
