

ACME WIDGET COMPANY

COVID-19 PLAN

THIS PLAN IS ESTABLISHED TO MEET THE REQUIRMENTS OF THE AMENEDDED
DISATER DECLARATION FOR TITUS COUNTY THAT WENT INTO EFFECT APRIL 2ND

AT 12:01 AM.

1. All customers and employees will maintain 6 feet of Social Distancing between each other while inside the store. This also includes outside the store as well.
2. This will be monitored via “Social Monitors” and staff members to help enforce this.
3. There will be daily, hourly and frequent sanitizing & cleaning of high touch surface areas.
4. This will be accomplished with employees assigned to these tasks.
5. Markers will be placed on the floor in higher traffic areas, aisles and sales counters to help provide for proper social distancing.
6. We strongly ask for only one person from each family to shop which will help limit the number of people in the store. (This will be monitored, and customers will be asked to comply).
7. Store management and monitors will closely watch for crowding and in the event, we feel that it does not keep the 6 feet social distancing requirements we will have to limit occupancy to a reasonable level.
8. Glass barriers have been placed at all cashier locations to reduce the risk of spreading the virus during transactions.
9. Additional measures, seen and unseen, are in place to help protect our customers and employees alike. Please feel free to speak to a manager if you have any questions.
10. A signed copy of this plan will be posted for public display on the front door or store front window.
11. The plan will also be available for review by any law enforcement officer.
