Dear Potential Chamber Member,

Choosing to join the Thomaston-Upson Chamber of Commerce is a decision to invest in both your business and the future of our community. Our work is guided by a clear plan of action designed to support business owners, strengthen the local economy, and create opportunities for long-term success.

At the core of our plan is business growth and visibility. The Chamber actively promotes its members through marketing initiatives, community campaigns, events, and referrals. We work to ensure local businesses are top of mind for residents, newcomers, and visitors because when businesses are seen, they grow.

Another key focus of our plan is connection and collaboration. Through networking events, leadership programs, and member engagement opportunities, we help business owners build meaningful relationships. These connections often lead to partnerships, customers, and shared solutions to common challenges.

Our plan of action also prioritizes workforce and community development. The Chamber works to attract talent, support leadership development, and strengthen the local workforce pipeline. By helping create a thriving community where people want to live and work, we help businesses retain employees and plan for the future with confidence.

Advocacy is another important part of our work. The Chamber serves as a unified voice for the business community, collaborating with local leaders and partners to ensure business interests are considered in decisions that affect our local economy. We work to create an environment where businesses can succeed.

Finally, our plan includes community promotion and economic impact. Through shop-local campaigns, tourism efforts, and signature events, the Chamber drives traffic, spending, and community pride—bringing real economic benefits back to local businesses.

When you join the Thomaston-Upson Chamber of Commerce, you gain more than a membership—you gain a partner. Your investment supports programs and initiatives that are intentionally designed to help your business grow while strengthening the community we all call home.

We would be honored to work alongside you and include your business in our plan of action for 2026 and beyond. Please don't hesitate to reach out with questions or to learn more about how to get involved.

Sincerely,

Madison Ruttinger
Chamber President/CEO

MEMBERSHIP INVESTMENT

Thomaston-Upson Chamber of Commerce

2026 PLAN OF ACTION

The Thomaston-Upson Chamber of Commerce unites our members and the community by promoting strategic economic growth, enhancing the quality of life and creating a positive business climate for Upson County. The 2026 Plan of Action focuses on initiatives that strengthen the foundation of our local economy through workforce development, education, and business development.

1. Workforce Development

To build a strong, sustainable local workforce by connecting education and industry, addressing workforce challenges, and promoting local employment opportunities.

Strengthen relationships between educational institutions, local businesses, and workforce partners.

Facilitate roundtable discussions and surveys to gather feedback on current workforce needs and skill gaps.

Promote Chamber members actively hiring through Chamber marketing channels, social media, and the Chamber website.

2. Education

To inspire lifelong learning and leadership development by engaging students, educators, and employers in programs that prepare community leaders and skilled professionals.

Continue strengthening Youth Leadership Upson and Adult Leadership Upson, enhancing their impact on local leadership and civic engagement.

Collaborate with local schools and educational partners to host career awareness and job shadowing opportunities.

Support classroom-to-career initiatives that expose students to local industries and business opportunities.

3. Business Development

To promote business growth, retention, and expansion by creating opportunities for connection, visibility, and professional development.

Offer training sessions, workshops, and Lunch & Learns to equip local businesses with tools for success and expand networking opportunities through events.

Support entrepreneurship and small business development through mentorship, promotion, and resource-sharing.

Encourage shop-local campaigns and community events that drive economic activity.
