

Lake Retreat Camp

2022-2023

What's Happening

The Lord has been incredibly kind to Lake Retreat Camp and Adelpia Discipleship School. 2022 has been a fantastic rebound year for the camp after the COVID shutdowns. Thanks to some generous gifts, an incredibly dedicated staff, and the Lord's sustaining hand, the Camp and Adelpia have weathered the storm and are back on a healthy track. With a level of stability re-established financially, our team has been able to move forward with some much-needed maintenance and new projects. Please see highlights in the Capital Projects section.

We appreciate your continued prayer and support! Today's culture can be difficult, and safe places to learn, grow and experience the Lord are more important than ever!

New Director

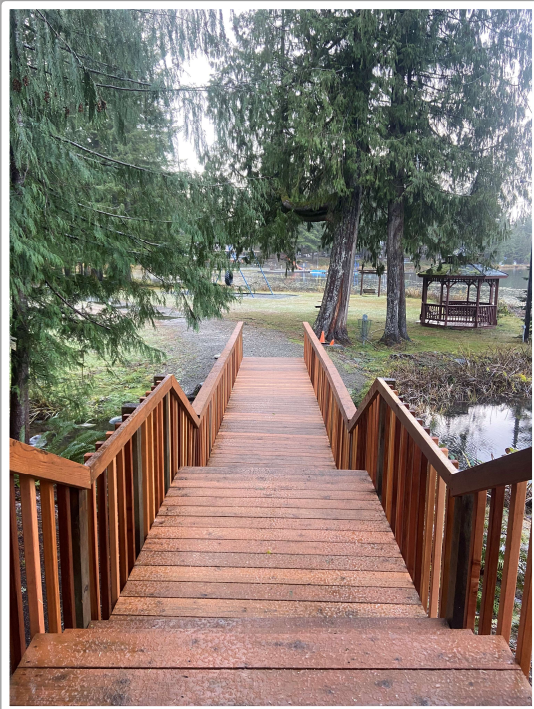

This year, Brian Dejong joined the Lake Retreat and Adelpia team as our new Executive Director. Brian brings many years of business experience and a vigor for the ministry happening on campus! Join us in welcoming him!
