To sign into the Anchor….

Go to
www.tenmilelake.org.

Click on the ANCHOR
ICON or LOGIN

Some browsers may require you to **double-click**

If you have signed into the Anchor before, type in your email address and password.

If you have never signed into the Anchor before: click on Create an Account. At the next screen fill in your name and email address. The system will match you up with the information already in the membership system and send you an email with a link to the Anchor. Click on that link; now you can sign in with your email address and whatever password you choose.

This is what you will see.

The links down the left side give members access to information available only to members, and not the general public.

Please do not share your password outside of your family.

Thank you.

See Editing You Personal Profile for more information.
